

Office of Equity, Diversity and Inclusion South King County Fund

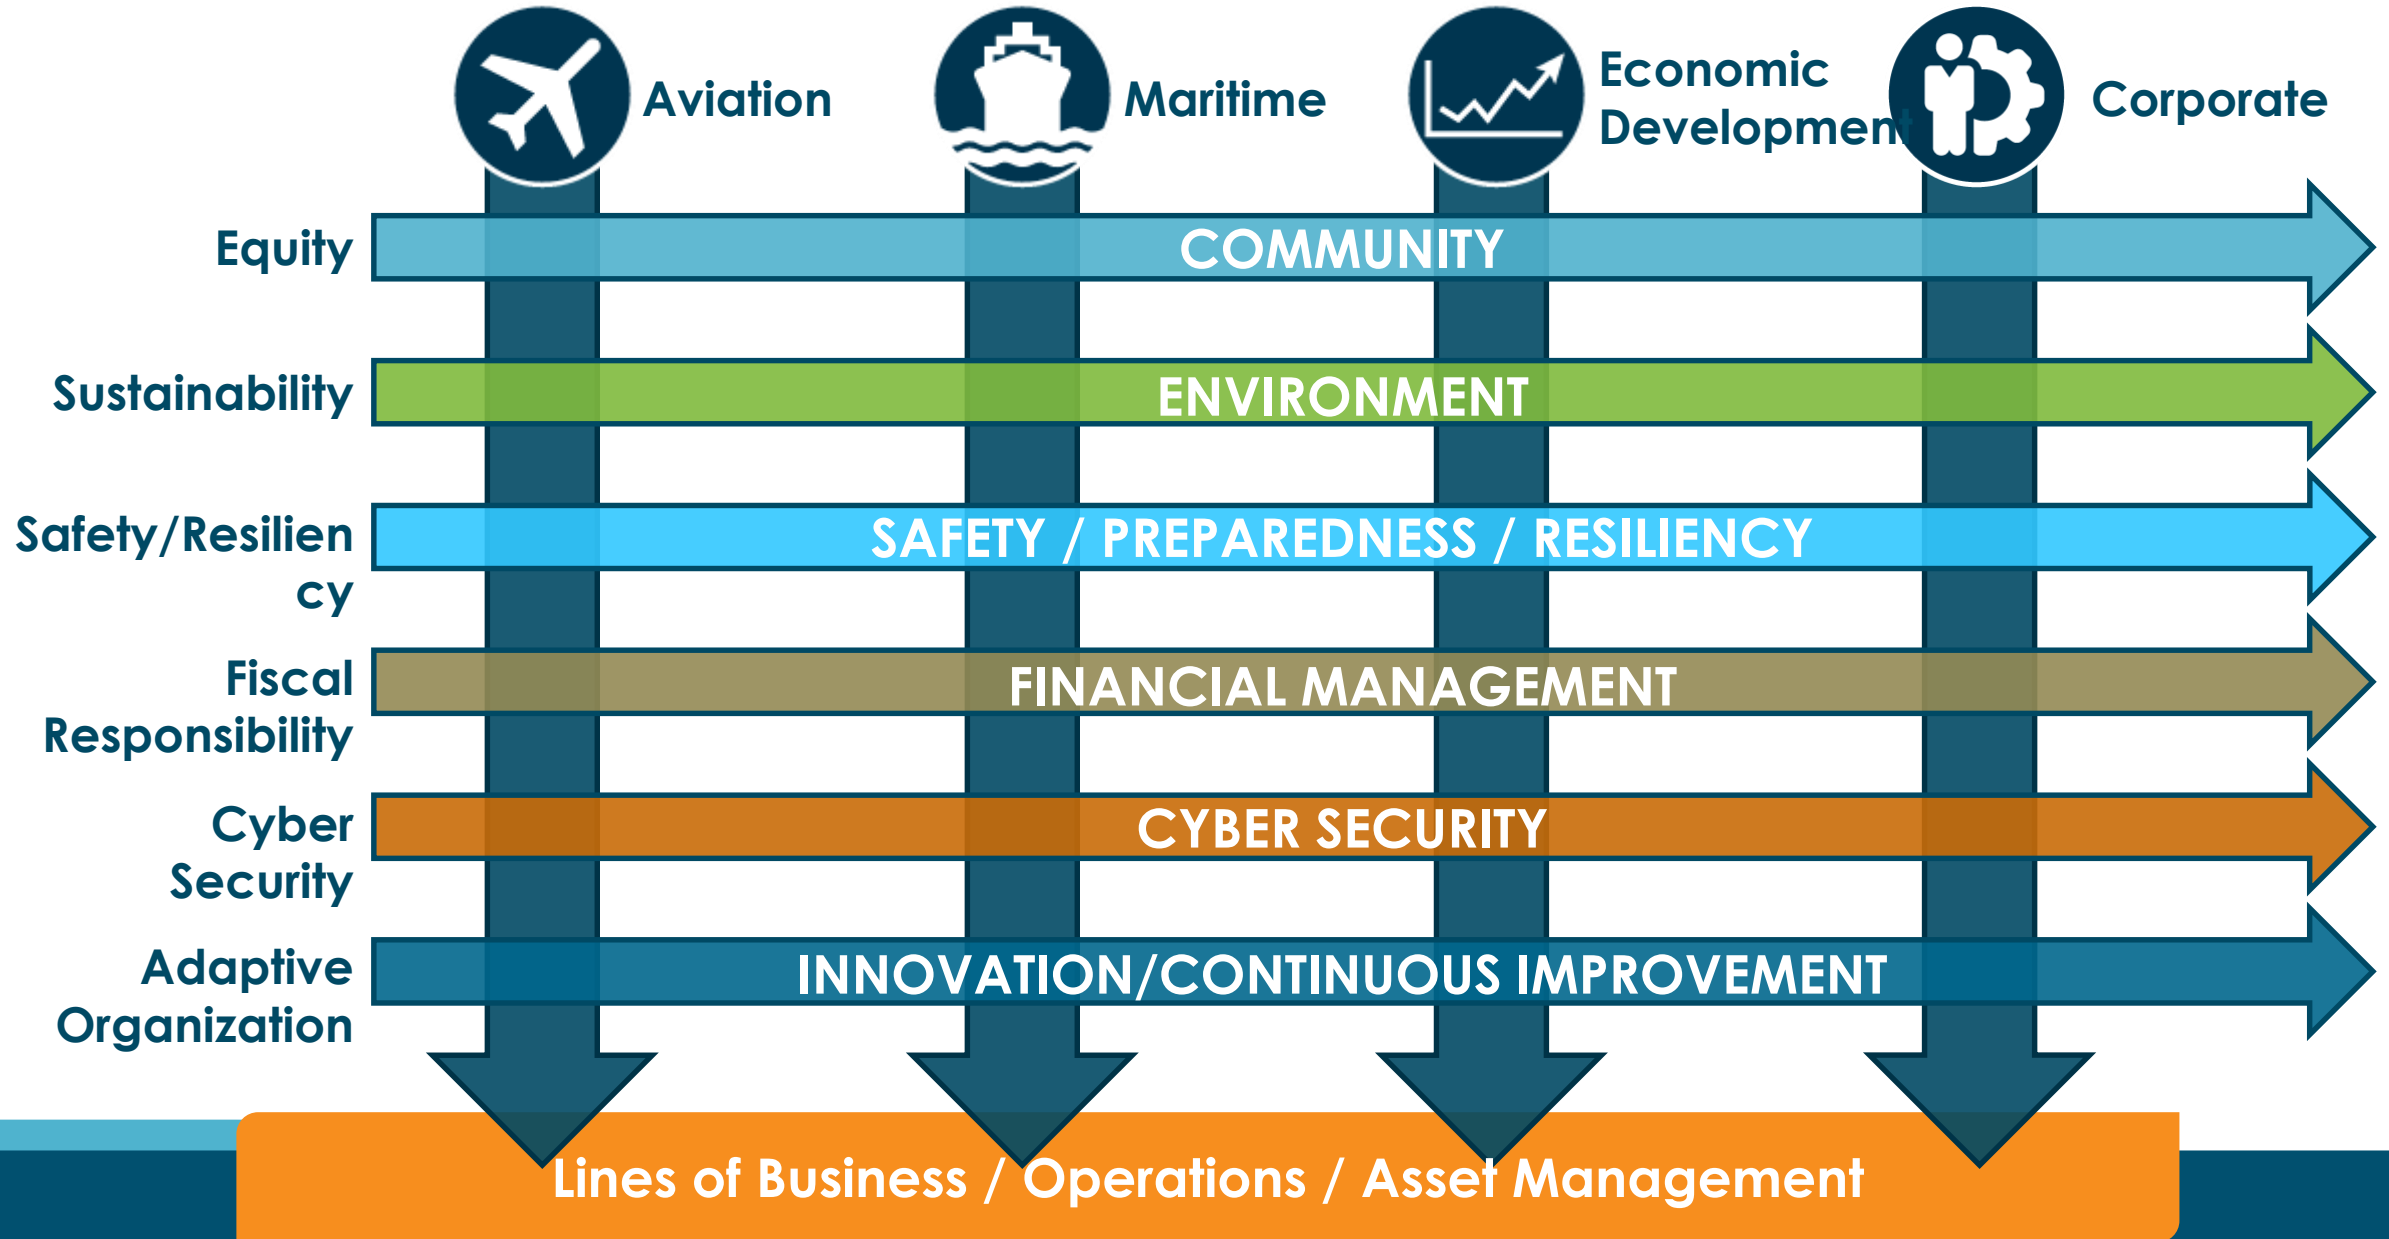

July 2020

Outline

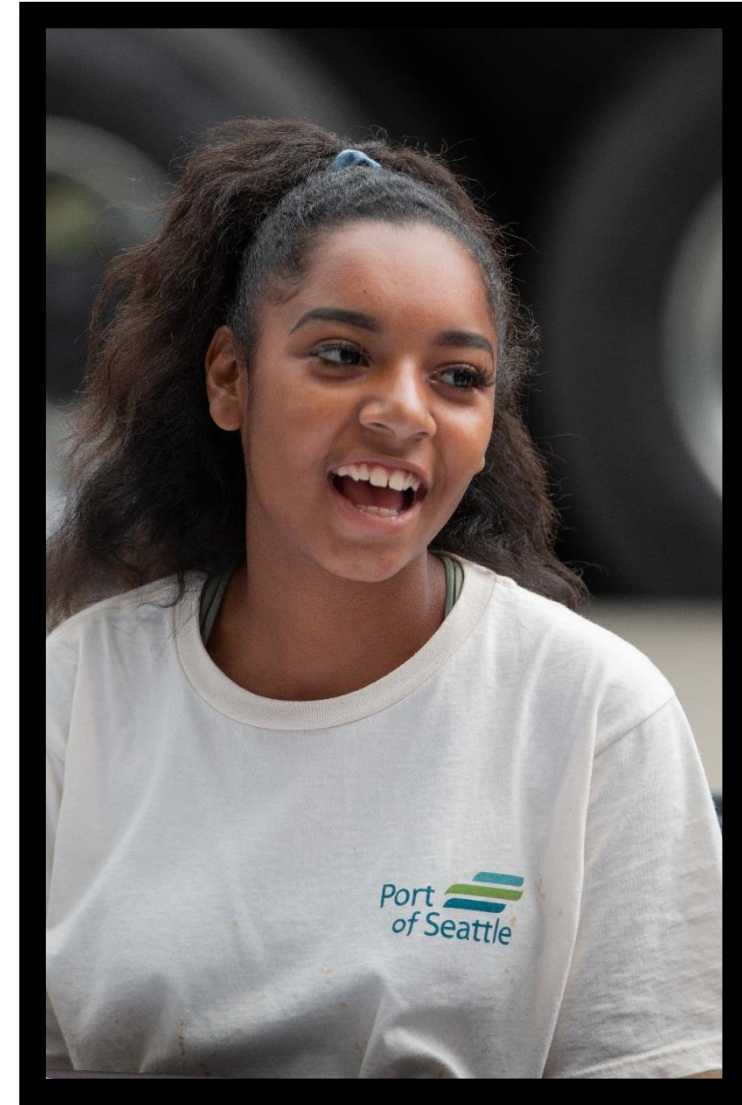

- Office of Equity, Diversity, & Inclusion Overview
- Economic Recovery
- South King County Fund

Port of Seattle's Interwoven Priorities

The Plan

- Purpose: OEDI's mission and work
 - Long term broad strategies,
- Guided by three concepts:
 - Build on previous equity work
 - Normalize, Organize, and Operationalize
 - Transactional and Transformative activities
- Results Driven

SKCF Commission History

2018: Motion 14

Creating the South King County Fund Motion

2019: Motion 10:

Development of the South King County Fund

2020: Motion 10:

Changing permissible uses of SKCF

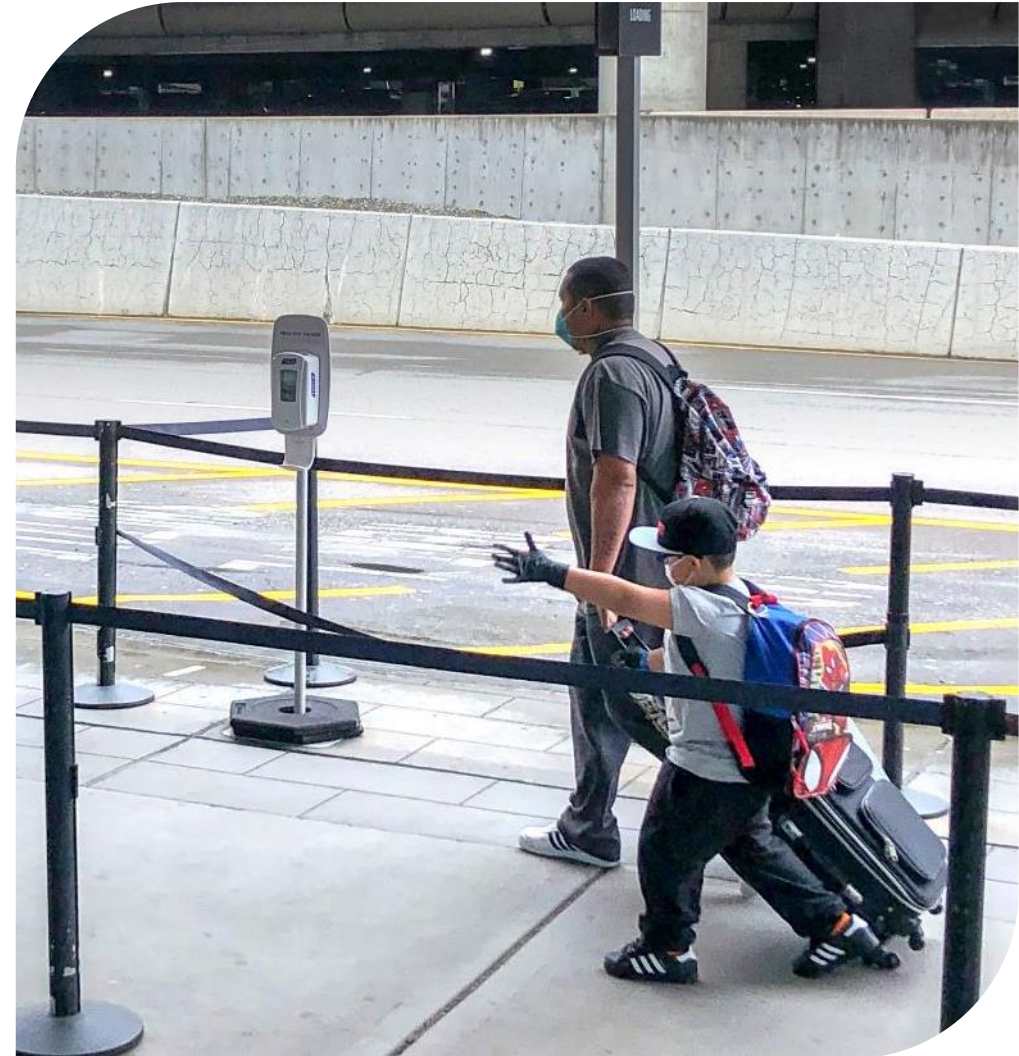

COVID-19

- March 16, 2020
 - Washington State issued a regional quarantine
- April 28, 2020
 - the Port Commission added “Economic Development” to the permissible uses for the South King County Fund, to support recovery for the region from the COVID-19 pandemic.
- June 2020
 - The Port Commission approved \$1.5 million dollar Opportunity Motion to provide summer jobs for 180 youth who have been adversely affected by the COVID-19 pandemic.

Equity Framework for Recovery

Core principles for economic recovery actions complement the Commission's directives on COVID-19 response:

- Integrate Values of Equity and Inclusion
- Prioritize the Most Vulnerable
- Mitigate Economic Loss
- Ensure Language and Cultural Competence
- Support Community-based Organizations

Funding Round 1, Summer 2020

- First round of funding, for non-profits and community groups
- The fund will support projects and programs in four focus areas:
 - Small business assistance
 - Workforce development
 - Job creation
 - Development of new, innovative economic recovery strategies

South King County Fund: Proposed Timeline

June 2020

- Plan for Funding Finalized

August 2020
