PPOSM SWPPP Legend

Port of Seattle
 Seattle, Washington

THIS SWPPP COVERS ALL AREAS OF THE SITE NOT REQUIRED TO BE COVERED BY OTHER NPDES PERMITS.

The base aerial photo was flown in 2019.

Permit and tenant boundaries and stormwater feature locations are approximated and not surveyed.

The stormwater features shown in the map are the current data as of 3/9/2023. Efforts have been made to make the information accurate and complete, but the data may contain errors, faults and is not authoritative. Users of the map should not consider any of this data as valid without further in-field or camera verification.
