

# Seattle MARITIME FESTIVAL 2005

## May 11-15 Seattle Waterfront

**Join the  
celebration  
at Bell Harbor  
Marina/Pier 66  
and Fishermen's  
Terminal**

**T**ake the world's largest tugboat race. Add a Chowder Cook-Off and a dash of free harbor tours. Spice it up with free admission for children at Downtown Waterfront attractions. Finish it all off with the First Annual Keta Cook-Off at Fishermen's Terminal. Now, you've got the recipe for a great waterfront festival.

It's the Seattle Maritime Festival, May 11-15, sponsored by the Seattle Propeller Club and the Port of Seattle, in cooperation with Washington State Ferries and the Puget Sound Pilots.

The Seattle Maritime Festival is designed to celebrate and showcase Puget Sound's maritime and fishing industries. Port of Seattle transportation facilities supported nearly 200,000 jobs in the Puget Sound region in 2003 and generated more than \$12 billion in business revenue and \$626 million in state and local taxes, according to a new study of the Port's economic impact.

This year's Festival celebrates "The Maritime Industry's Investment in our Region," with activities highlighting the industry's investment in jobs, infrastructure, environmental protection and the community.
