THE NEW FISHERMEN'S TERMINAL

NEW DOCKS

The facility's new inner harbor layout gives vessel owners more flexible moorage options and creates the best work docks on the West Coast. The new docks can easily accommodate increased vessel beam widths, lengths and drafts.

- New concrete docks 5–10, fixed and floating
- New 15 foot minimum draft at the West Wall
- Wider fairways for easy maneuvering
- Moorage for vessels up to 250 feet
- New mix of slip sizes for vessels up to 70'
- Upgraded shore power throughout the facility
- ADA compliant gangway on Dock 9
- New multi-use work floats

EASY ACCESS

Working alongside your vessels has never been so easy. The side-tie dock areas and new finger floats make retrofits, repairs and provisioning simple, safe and convenient.

- Nearly 2,900 lineal feet of side-tie dock space
- Finger floats for more side access to vessels
- Reservable loading/work docks

MOORAGE MADE EASY
NEW DOCKS • EASY ACCESS • UPGRADED SERVICES

MOORAGE MADE EASY

Fishermen's Terminal is more than just moorage. Here, you will find all the resources you need in one convenient location. We provide vessel owners and crew with the work docks, equipment and services to make the most of your time in port. Our knowledgeable staff is ready to assist with your on-site needs, and can also direct you to the many marine products and skilled services available in the Ballard/Interbay area.

- 24 hour customer service by calling (206) 728-3395
- Cranes and hoists on site – two 1800 lb. hydraulic cranes, 3-ton hydraulic crane, 3-ton electric hoist
- Forklifts rentals on site – up to 11 ton capacity
- New recycling centers for aluminum, fiber, glass, metal, oil, paper and plastic
- New lighting on docks 5-10
- Increased safety ladder locations
- Net repair area and spacious net sheds
- Free parking, sewage and bilge pump-out
- Restaurants, grocery, banking and mail services on site

INVESTING IN YOU SINCE 1913

We're committed to serving today's commercial fleet and have invested \$60 million to upgrade Fishermen's Terminal. As Seattle's traditional homeport for the North Pacific Fleet, the facility now offers the best combination of freshwater moorage and services for today's commercial fleet.
