

New Location

West End of Net Shed 10

Recycling Center at Fishermen's Terminal

Fishermen's Terminal recycling bins have been relocated to the West End of Net Shed 10 and are available for use of Fishermen's Terminal & Maritime Industrial Center moorage and storage tenants. Our "Cardboard dumpster" is located at the Terminal's south of Ship Supply building. Recycle your used boat oil and oil filters by calling port office for appointment. Recycle containers for upland tenants are located at each of the commercial buildings. For details call 206-728-3395.

Gray Metal Recycling Bin

NEW LOCATION West End of Net Shed 10
