The notice shall be of a reasonable size and shall contain the following information:

- (a) The date and time the notice was attached:
- (b) A statement that if the account is not paid in full within ninety (90) days from the time the notice is attached, the vessel may be sold at public auction to satisfy the Port charges; and
- (c) The address and telephone number where additional information may be obtained concerning release of the vessel.

The Port shall review its records to ascertain the identity of the owner or anyone with an ownership interest in the vessel. The Port shall notify the owner and anyone known to the Port to have an ownership interest in the vessel by registered mail in order to give them the information contained in the notification.

- (2) The owner may regain possession of the vessel by:
 - (a) Making arrangements satisfactory to the Port for the immediate removal of the vessel from the moorage facility or for authorized moorage; and
 - (b) Making payment to the Port of all Port charges, or by posting with the Port a sufficient cash bond or other acceptable security to be held in trust by the Port pending written agreement of the parties with respect

to payment by the vessel owner of the amount owing, or pending resolution of the matter of the Port charges in a civil action in a court of competent jurisdiction. After entry of judgment, including any appeals, in a court of competent jurisdiction, or after the parties reach agreement with respect to payment, the trust shall terminate and the Port shall receive so much of the bond or other security as is agreed or as is necessary to satisfy any judgment, costs, and interest as may be awarded to the Port. The balance shall be refunded immediately to the owner at his last known address.

- (3) If a vessel has been secured by the Port under subsection (1) of this section and is not released to the owner under the bonding provisions of this section within ninety (90) days after notifying or attempting to notify the owner under subsection (1), the vessel shall be conclusively presumed to have been abandoned by the owner.
- (4) Before the vessel is sold, the owner or anyone known to the Port to have an ownership interest in the vessel shall be given at least twenty (20) days notice of the sale in the manner set forth in subsection (1) of this section. The notice shall contain the time and place of the sale, a reasonable description of the vessel to be sold, and the amount of Port charges owed with respect to the vessel. The notice of sale shall be published at least once, more than ten (10) but not more than twenty (20) days before the sale, in a newspaper of general circulation in King County. Such notice shall include the name of the vessel, if any, the last known owner and address thereof, and a reasonable description of the vessel to be sold.

The Port may bid all or part of its Port charges at the sale and may become a purchaser at the sale. In the event no one purchases the vessel at a sale, or a vessel is not removed from the premises or other arrangements are not made within ten (10) days of sale, title to the vessel will revert to the Port.

The proceeds of a sale shall first be applied to the payment of Port charges. The balance, if any shall be paid to the owner. If the owner cannot in the exercise of due diligence be located by the Port within one (1) year of the date of the sale, the excess funds from the sale shall revert to the Department of Revenue pursuant to Chapter 63.28 RCW. If the sale is for a sum less than the applicable Port charges, the Port is entitled to assert a claim for a deficiency.

- (5) Before the vessel is sold, any person seeking to redeem an impounded vessel under this section may commence a lawsuit in the superior court for the county in which the vessel was impounded to contest the validity of the impoundment or the amount of the Port charges owing. Such lawsuit must be commenced within ten (10) days of the date the notification was provided pursuant to Section (1), or the right to a hearing shall be deemed waived and the owner shall be liable for any charges owing the Port. In the event of litigation, the prevailing party shall be entitled to reasonable attorneys' fees and costs.
- (6) The Port shall at all times conspicuously post this tariff, and the regulations authorized under this section shall be enforceable only if the Port has had its

tariff containing such regulations conspicuously posted at its moorage facilities at all times.

A violation vessel may immediately and without notice be moved by the Port from Bell Harbor Marina, Fishermen’s Terminal, Harbor Island Marina, Maritime Industrial Center and Shilshole Bay Marina to another location. All expenses and risk of loss or damage resulting therefrom shall be borne by the vessel owner. In the event the vessel is moved to another marina, the vessel owner shall, in addition, be liable to the Port for the prevailing moorage rate and other fees customarily charged at the facility to which the vessel is moved. Provided, however, that this [Item 1300\(F\)](#) shall not apply and the Port shall proceed under [Item 1300\(E\)](#), if the only cause of violation is the non-payment of Port charges.

(G) TERMINATION OF MOORAGE

The moorage agreement of any vessel violating the moorage agreement or the rules and regulations pertaining to Bell Harbor Marina, Fishermen’s Terminal, Harbor Island Marina, Maritime Industrial Center and Shilshole Bay Marina or this Tariff may be terminated for any reason upon thirty (30) days written notice to the vessel owner. Notice shall be by personal delivery or by placing in the U. S. Mail a registered letter to the owner at his last known address, and by posting a notice on the vessel. The notice shall state that moorage is being terminated, that the owner has ten (10) days from the date of the notice to remove the vessel from Bell Harbor Marina, Fishermen’s Terminal, Harbor Island Marina, Maritime Industrial Center or Shilshole Bay Marina (or thirty (30) days in the case of termination for any reason other than violation of the moorage agreement, etc.), and that the vessel will thereafter be removed by the Port at the owner’s expense.
