□ BURSTING WITH GROWTH

Port of Seattle cargo terminals are located just west of SODO, the region's largest industrial area and a growing urban center south of downtown Seattle. The area is also home to Safeco Field, the Seahawks Stadium and Exhibition Center, a new cruise terminal, the Washington State Ferries, and major employers like Starbucks, Seattle Public Schools, and the Port of Seattle. The area's popularity combined with freight trains, commuter traffic and road construction, equal traffic tie ups.
