Seattle?

Seattle offers the best of both urban and outdoor experiences. Recently named among the top 10 U.S. cities by the Condé Nast magazine Readers' Choice Awards and Trip Advisor Traveler's Choice Poll, it's the perfect destination or departure point for your next yachting adventure.

Your urban adventure can include top rated restaurants, shopping, art, music, fine Northwest wines, exceptional golf and, of course, Seattle's famous coffee.

This compact city makes exploring easy. Many of the top visitor attractions are within blocks of the waterfront including the iconic Space Needle, Pike Place Market, Seattle Art Museum & Sculpture Park, Chihuly Garden and Glass, Experience Music Project, and Seattle Aquarium. Seattle's theatre scene and professional sports stadiums are also nearby.

If it's the outdoors you crave, consider a day trip. Three national parks—Mt. Rainier, North Cascades and Olympic—are just two hours away. Or, discover the San Juan Islands, the region's coastal beaches, dense rain forests and spectacular alpine peaks.

Downtown is conveniently located 20 minutes from Seattle-Tacoma International Airport and 15 minutes from Boeing Field.
