

DRAMATIC DEMAND AT SEATTLE-TACOMA INTERNATIONAL AIRPORT, RECORD CRUISE SEASON

Additional revenue reinvested in levy fund; levy rate reduced

Proposed 2017 Tax Levy Uses

- Regional transportation projects
- Environmental remediation
- \$3.9 million in workforce development programs to provide more internships and job-training programs, and to investigate a new skill center
- \$1.7 million to promote, support and expand tourism initiatives for the region
- \$1 million in Economic Development Partnership Program Awards to cities in King County
- Capital improvements at the Bell Street Pier Cruise Terminal and in support of the fishing industry
- General Obligation (G.O.) bond debt service

Tax Levy Vs. Millage Rate 2008-2017

King County Property Tax %

The owner of a typical single-family home in King County will pay about \$77 per year in 2017.

The levy has been reduced since 2008 as property values have increased, keeping the annual collection at about \$72 million.
