

## **1.07 EXCLUSIONS**

The focus of this manual is to provide standardization to passenger-oriented signs that are provided by the Port. Signs that are either not provided by the Port or whose designs are governed by other agencies are therefore not included in this manual.

Exclusions to this manual include, but are not limited to:

- " Airport construction barricade and information signs  
(ref: STIA Public Affairs)
- " Tenant provided signage (ref: STIA Tenant Design Manual)
- " Airfield signs (ref: STIA LOB)
- " FAA governed signs (ref: FAA)
- " STIA mechanical systems
- " Traffic control signs (ref: MUTCD manual)
- " Off-site highway signs (ref: WSDOT, KCDOT, and other  
local jurisdictions)
