

## Port of Seattle Logo:

## Seattle-Tacoma International Airport:

### Horizontal Version

### Stacked Version 1

### Do Not Alter Name

SEA-TAC INTERNATIONAL AIRPORT  
SEA-TAC AIRPORT

## 2.08 CORPORATE IDENTIFICATION

*The Airport's logo consists of the words "Seattle-Tacoma International Airport" and the Port of Seattle logo, reinforcing that the Airport is a division of the Port. Always use these elements together.*

*Port of Seattle logo should always appear as a unit, on one line. The "chevrons" and font are not permitted to be broken apart. The logo may be enlarged or reduced, but as a unit only. It is not permitted to enlarge or reduce the "chevrons" or font separately.*

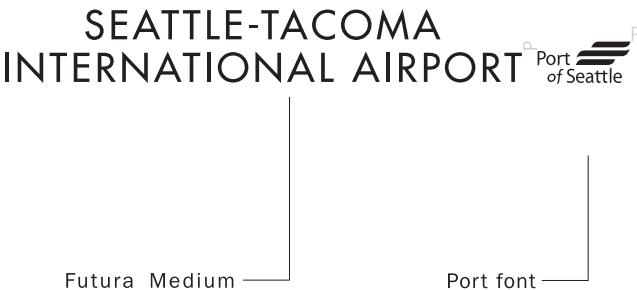

*Always use these fonts and the related symbol. Master artwork can be found on the CD-ROM in the Appendix.*

**Seattle-Tacoma International Airport:**

---

**2.08  
CORPORATE  
IDENTIFICATION**

**Stacked Version - Entry Sign Option**

*The Airport's logo consists of the words "Seattle-Tacoma International Airport" and the Port of Seattle logo, reinforcing that the Airport is a division of the Port. Always use these elements together.*

*Port of Seattle logo should always appear as a unit, on one line. The "chevrons" and font are not permitted to be broken apart. The logo may be enlarged or reduced, but as a unit only. It is not permitted to enlarge or reduce the "chevrons" or font separately.*

*Always use these fonts and the related symbol. Master artwork can be found on the CD-ROM in the Appendix.*
