

SEATTLE-TACOMA INTERNATIONAL AIRPORT MEDIA PARKING

Media parking at Sea-Tac Airport is located at the north end of the lower drive accessed from the Airport Expressway off of State Hwy 518.

- Take lower (arrivals) drive, stay to the right.
- Pass under the first overpass, veer right and look for designated “media parking” locations on the pavement.
- Parking is “first come, first serve.”
- Overflow parking is north of the four designated spots.
- Location is an easy cable run to covered space outside of the baggage claim area. Please avoid conflicts with incoming shuttle buses and pedestrian access in the area.
- Media parking is NOT allowed on the upper (departures) drive.
- Please refer to the Port of Seattle webpage for our policies and guidelines for the media parking area.
