Dear South Park and Georgetown Neighbors,

The PCAT (Port Community Action Team) is a Community-convened advisory group established in 2017 as part of the pilot project consisting of Duwamish Valley community members that engage the Port in collaborative action and strategic planning in order to address historical and current disproportionate, cumulative impacts affecting the Duwamish Valley community.

“Duwamish Valley Community” is understood as the group of people and organizations that live, work, play, study or worship in the near-Port neighborhoods of South Park and Georgetown along the Duwamish River; and have been historically or are currently impacted by economic, racial and environmental injustices, including the Duwamish People, the first people of Seattle.

After hard work between PCAT, Duwamish Valley Community, and the Port of Seattle, on December 10, 2019 the Port of Seattle Commissioners approved and signed the Duwamish Valley Community Benefits Policy Directive. It guides the implementation of the Duwamish Valley Community Equity Program (DVCEP) and other Port operations that impact the Duwamish Valley Community. This Commitment enables the Port of Seattle to advance its mission to promote economic opportunity and quality of life in the region by advancing trade, travel, commerce and job creation in an equitable, accountable and environmentally responsible manner. The Port’s partnership with the Community’s advisory group, the PCAT will ensure the DVCEP achieves three shared goals:

1) Goal 1: Community and Port Capacity Building for Ongoing Collaboration
2) Goal 2: Healthy Environment and Communities
3) Goal 3: Economic Prosperity in Place

WE INVITE YOU AND YOUR FAMILIES TO OUR CELEBRATION PARTY WHERE WE WILL TALK ABOUT THIS VERY IMPORTANT ACHIEVEMENT FOR OUR COMMUNITY AND YOU WILL LEARN MORE ABOUT THE BENEFITS OF THIS IMPORTANT AGREEMENT WITH THE PORT OF SEATTLE!
