Wage rates shall be effective as indicated in Article 14. Other conditions shall be effective on the date the Agreement is signed or as specified in the provisions of the agreement. This Agreement is made for the purpose of reaching an equitable wage and working agreement between the parties hereto.

ARTICLE 1 - RECOGNITION, SCOPE AND HIRING

The Port recognizes the Union as the sole and exclusive bargaining agent with respect to wages, rates of pay, hours of work and other conditions of employment for the employees covered by this Agreement. The work to be performed by the Union shall be the various functions of receipt, storage, delivery of parts, processing and procurement of goods and services in compliance with established levels of authority and with Port policy and procedures, and in accordance with historical jurisdiction, customs and practices. These functions shall be performed in the Aviation Maintenance Department at the Distribution Center (DC) warehouse, or other assigned DC satellite locations.

As permitted by law, the Port shall give the Union equal opportunity with all other sources to refer suitable applicants for employment. No applicant will be preferred or discriminated against by the Port because of membership or non-membership in the Union.

The following information will be given in writing by the Port to the Union within seven (7) calendar days from the date of hiring new employees: name and home address, date of hire, classification and rate of pay.

The Port agrees to deduct from the paycheck of each employee covered by this agreement who has so authorized it by signed notice submitted to the Port, the initiation fee, and monthly dues. The Port shall transmit such fees to the Union once each month on behalf of the members involved. If a dues error is identified the error will be addressed as soon as practicable following notice to the Port.

A Union member of the Union may cancel their payroll deduction authorization in accordance with the terms of the Union's payroll deduction authorization form by giving written notification to the Union. If the Union receives such written notification, confirmation will promptly be sent to the Port by the Union when the terms of the employee's signed payroll deduction authorization form regarding cancellation have been met. The Port will make an effort to end the automatic dues deduction effective the first pay period but no later than the second pay period after receipt of the written cancellation notice.

The Union agrees to indemnify and save the Port harmless against any liability which may arise by reason of any action taken by the Port to comply with the provisions of this Article, including reimbursement for any legal fees or expenses incurred in connection with such action. The Port will promptly notify the Union in writing of any claim, demand, suit or other form of liability asserted against it relating to its implementation of this Article.

This Agreement shall apply to and cover employees as defined herein.

A seniority employee is defined as one who has been continuously on the payroll of the Port for a period of one hundred eighty (180) calendar days. A probationary employee is one who has not been continuously on the payroll of the Port for a period of one hundred eighty (180) calendar days.

All terms and conditions of this Agreement are applicable to seniority employees and probationary employees except as specifically hereinafter exempted for probationary employees.

The Union recognizes the prerogatives of the Port to operate and manage its affairs in all respects in accordance with its responsibilities and powers of authority, subject to the terms and conditions of this agreement.

ARTICLE 2 - MANAGEMENT RIGHTS

The right to manage the business, to schedule the hours of work, to establish, modify or change work scheduled, to direct and determine the size of the working forces including the right to select, hire, promote and transfer employees, to periodically review employees performance, to relieve employees from duty due to lack of work, to demote and discipline, to terminate employees for just cause, and to determine training procedures in accordance with policies established or to be established by the Company.

It is hereby agreed that the enumeration of the above-listed management rights shall not be deemed to exclude other management rights not specifically enumerated. Any of the rights, powers, functions or authority which the Company had prior to the signing of this Agreement are retained by the Company, except for those rights, powers, functions or authority which are specifically abridged or expressly modified by this Agreement. This Section is not subject to grievance process.

It is hereby agreed that any waiver or any breach of terms of this Agreement by either party, or by an employee, shall not constitute a precedent in the future enforcement of all the terms and conditions herein.

ARTICLE 3 - DISCHARGE OF EMPLOYEES

A vacation request made by a more senior employee cannot reverse an approved vacation of a less senior employee. Seniority shall prevail in the selection of shift assignments when openings occur provided the employee is capable of performing the work.

Seniority for permanent positions shall date from day of hire into the bargaining unit, but no seniority rights shall vest until after a probationary period of one hundred eighty (180) calendar days. At the end of the probationary period, the employee shall be classified as a seniority employee. Probationary employees shall be paid the probationary wage rate listed in appendix A during their probationary period.
