AGREEMENT

ARTICLE 1 - PURPOSE OF AGREEMENT

This Mutual Agreement has been entered into by the International Brotherhood of Teamsters, Local Union No. 117 (hereinafter referred to as the Union), and the Port of Seattle (hereinafter referred to as the Port), collectively herein referred to as the Parties. The purpose of this Agreement is the promotion of harmonious relations between the Port and the Union; the establishment through collective bargaining of the equitable and peaceful procedures for the resolution of differences; and the establishment of rates of pay, hours of work, benefits, and other terms and working conditions of employment.

ARTICLE 2 – UNION RECOGNITION AND PAYROLL DEDUCTION

2.01 The Port recognizes the Union as the sole and exclusive bargaining representative for the Rental Car Facility Bus Drivers (RCF) covered by this Collective Bargaining Agreement.

2.02 In accordance with RCW 41.56.037, the Union will be given thirty (30) minutes to meet with new employees of the bargaining unit within ninety (90) days of employment at a mutually agreeable time to discuss matters concerning the rights of employees, responsibilities of the Union, and services available to the membership. A Union Representative, Shop Steward, and/or Local Union member will be responsible for the presentation. Only the new employee will be released from duty with pay.

2.03 The Port shall notify the Union as soon as possible of any deduction authorization received by the Port. Upon receiving notice from the Union the Port agrees to deduct from the paycheck of each Union member or each non-member voluntary financial supporter covered by this Agreement who has voluntarily so authorized it, the initiation fee, and regular monthly dues, assessments or voluntary non-member financial supporter fee. Such authorization for deductions may be made in writing, electronically or through recorded voice. The Port shall transmit fees and dues to the Union once each month on behalf of the employees involved. If a deduction error is identified, the error will be addressed as soon as practicable.

2.04 The Port agrees to notify the Union of any new employees employed in classifications covered by this Agreement within ten (10) days from date of hire.

2.05 A Union member or voluntary financial supporter of the Union may cancel their payroll deduction authorization in accordance with the terms of the Union's payroll deduction authorization form by giving written notification to the Union. If the Union receives such written notification, confirmation will promptly be sent to the Port by the Union when the terms of the employee's signed payroll deduction authorization form regarding cancellation have been met. The Port will make an effort to end the automatic dues deduction effective the first pay period but no later than the second pay period after receipt of the written cancellation notice.

2.06 The Union agrees to indemnify and hold harmless the Port for any actions taken pursuant to this Article. The Union agrees to refund to the Port any amounts paid to it in error upon presentation of proper evidence thereof.

2.07 Hiring: When new or additional employees are needed, the Employer may notify the Union of the number and classifications of employees needed. The Union may refer applicants for the vacancies to be filled.

ARTICLE 3 - MANAGEMENT RIGHTS

In addition to all the customary and usual rights, powers, functions and authority which the Port had prior to the signing of this Agreement with the Union are retained by the Port, except those rights, functions, or authority which are specifically modified by the express provisions of this Agreement.

Further, the direction of its work force is vested exclusively with the Employer. This shall include, by way of illustration, but not limited to the forgoing: the sole right and responsibility to establish new jobs, to determine staffing levels and schedules, abolish or change existing jobs, establish, revise, direct, hire, promote, demote, lay-off, discharge or discipline for cause, promulgating reasonable rules and regulations of uniform application, and to maintain discipline and efficiency of employees, which shall include but not be limited to annual performance evaluations in order to provide promotional and development opportunities, and performance management.

ARTICLE 4 - SERVICE CHARGES

It is hereby agreed that the Port shall pay for drug testing and any costs associated with obtaining an initial identification badge incidental to the hiring of employees.

ARTICLE 5 - PAY PERIODS

All employees shall be paid biweekly, and in no case shall the Port hold back more than fourteen (14) days' pay. No deductions shall be made from paychecks without the written consent of the employee, except as provided by federal, state, or municipal law. If the Port makes a payroll error, the Port shall pay the employee money owed no later than the next pay period, however the Port shall endeavor to pay the employee as soon as practical.

If an employee is overpaid the Port shall be entitled to collect the overpayment through the deduction of the employee's subsequent wages as consistent with RCW 49.48.200. Nothing in this article precludes the employee from agreeing to a larger deduction.

As a condition of continued employment, all employees are required to participate in the Port's direct deposit program for payroll purposes.

ARTICLE 6 - UNION REPRESENTATIVE ACCESS

The Port agrees to allow reasonable access, with courtesy notice to Port Management, to Port facilities for Union representatives who have been properly authorized by the Union. Union Stewards may make limited use of the Employer's telephones, FAX machines, copiers, and similar equipment for purposes of contract administration. In addition, Stewards and Union staff may use the Employer's electronic mail system for communications related to contract administration and sending notices to each other, provided they comply with the Ports policies governing electronic mail and internet use. ARTICLE 9 - PERFORMANCE EVALUATIONS

9.01 Objective: Management will evaluate employee work performance. The performance evaluation process will include performance goals and expectations that reflect the organization's objectives.

The performance evaluation process gives supervisors an opportunity to discuss performance goals and expectations with their employees, assess and review their performance with regard to those goals, and expectations, and provide support to employees in their professional development, so that skills and abilities can be aligned with the department's requirements.

To recognize employee accomplishments and address performance issues in a timely manner, discussions between the employee and the supervisor will occur throughout the evaluation period. Such discussions will be documented in the supervisor's file.

Performance evaluations in conjunction with seniority will be considered for promotion from relief driver to full or part-time driver.

9.02 Evaluation Process: Employee work performance will be evaluated at completion of his or her probationary period and at least annually thereafter. Prior to preparing the employee's evaluation, the employee's supervisor will solicit input from other supervisors. This input will be considered by the supervisor for inclusion in the evaluation. Immediate supervisors will meet with employees to discuss performance goals and expectations. Employees will receive copies of their performance goals and expectations at

the beginning of the review period as well as notifications of any modifications made during the review period.

The supervisor will discuss the evaluation with the employee. The employee will have the opportunity to provide feedback on the evaluation. The discussion may include such topics as:

- Reviewing the employee's performance;
- Identifying ways the employee may improve his or her performance;
- Identifying performance goals and expectations for the next appraisal period; and
- Identifying employee training and development needs.

The performance evaluation process will include performance evaluation forms used by the Employer, the employee's written signature acknowledging receipt of the forms, and any comments by the employee. The evaluation, including the employee comments, will be considered by the manager who shall review all evaluations. Once completed and signed by the manager, a copy will be provided to the employee (with manager comments, if any) who may provide responsive comments to be attached to the evaluation. The original performance evaluation forms, including the employee's comments will be maintained in the employee's personnel file.

This Article and the content of the performance evaluations may be grieved through Step 3 of the grievance process; employees may also provide a written rebuttal for inclusion in their personnel file.

Nothing said or done by the parties or the mediator during the grievance mediation can be used in the arbitration proceeding.

The arbitrator shall confine himself/herself to the precise issue submitted for arbitration, and shall have no authority to determine any other issues not so submitted to him/her. The decision of the arbitrator shall be final and binding upon the aggrieved employee, Union, and the Port. The Port and the Union shall share equally the fees and expenses of the arbitrator.

26.03 Notwithstanding the foregoing, the Union and the Port may mutually agree to expedited arbitration. In the event expedited arbitration is agreed to, the parties will indicate on the FMCS request for a list of arbitrators that the parties seek expedited arbitration. - (a) An employee shall accrue at least one hour of paid sick leave for every forty hours worked as an employee. An employer may provide paid sick leave in advance of accrual provided that such front-loading meets or exceeds the requirements of this section for accrual, use, and carryover of paid sick leave.
- (b) An employee is authorized to use paid sick leave for the following reasons:
 - (i) An absence resulting from an employee's mental or physical illness, injury, or health condition; to accommodate the employee's need for medical diagnosis, care, or treatment of a mental or physical illness, injury, or health condition; or an employee's need for preventive medical care;
 - (ii) To allow the employee to provide care for a family member with a mental or physical illness, injury, or health condition; care of a family member who needs medical diagnosis, care, or treatment of a mental or physical illness, injury, or health condition; or care for a family member who needs preventive medical care; and
 - (iii) When the employee's place of business has been closed by order of a public official for any health-related reason, or when an employee's child's school or place of care has been closed for such a reason.
- (c) An employee is authorized to use paid sick leave for absences that qualify for leave under the domestic violence leave act, chapter 49.76 RCW.
- (d) An employee is entitled to use accrued paid sick leave beginning on the ninetieth calendar day after the commencement of his or her employment.
- (e) Employers are not prevented from providing more generous paid sick leave policies or permitting use of paid sick leave for additional purposes.
- (f) An employer may require employees to give reasonable notice of an absence from work, so long as such notice does not interfere with an employee's lawful use of paid sick leave.
- (g) For absences exceeding three days, an employer may require verification that an employee's use of paid sick leave is for an authorized purpose. If an employer requires verification, verification must be provided to the employer within a reasonable time period during or after the leave. An employer's requirements for verification may not result in an unreasonable burden or expense on the employee and may not exceed privacy or verification requirements otherwise established by law.
- (h) An employer may not require, as a condition of an employee taking paid sick leave, that the employee search for or find a replacement worker to cover the hours during which the employee is on paid sick leave.

When there is a separation from employment and the employee is rehired within twelve months of separation by the same employer, whether at the same or a different business location of the employer, previously accrued unused paid sick leave shall be reinstated and the previous period of employment shall be counted for purposes of determining the employee's eligibility to use paid sick leave under subsection (1)(d) of this section.

- (d) A registered domestic partner;
- (e) A grandparent;

Mentor Selection Welcome Letter

Congratulations for being selected as a Mentor in our training program. You will be a partner with a new driver to help them through their first two to three days of driving and a support to answer questions and continue to guide them through their continued employment with the Port.

As a Mentor, you will be expected to:

- Be a good example of a safe and skillful driver
- Demonstrate proper procedures
- Model exceptional customer service
- Be positive and supportive
- Exhibit professionalism in your conversations and interactions
- Be available to answer questions and offer suggestions

Each trainee will have completed their classroom and behind the wheel sessions with the trainers. The trainee will be assigned to two or three days with a mentor depending on their comfort and skill level. You may be assigned to work with one trainee during their entire mentorship program, a portion or portions of their program, or perhaps different trainees for a portion and/or portions of the program.

The first day with your trainee:

- Meet them and run them through sign in procedures
- If you have time, check e-mail and bulletin boards
- Radio in and Pre-trip your bus together (you only have to fill out the VIR once)
- Drive the route for several rounds and demonstrate your driving and customer service skills. Share your announcements, radio procedures, canned recording, etc.
- Let the trainee take over and be available to help if they seem uncertain
- You may swap driving during the day but make sure they have most of the driving time
- At the end of the day, radio off, run through post trip, check e-mail, boards, read and sign the feedback form (see below) and sign off

You want them to get comfortable with the route and bus and the operational procedures. Let them develop their own skills and "style". It took time for you to memorize the airlines and develop your announcements so allow them to build their skills a little at a time. Give a lot of compliments and make suggestions if it is needed.

Throughout the day, fill out the **feedback form** to document what you covered and what situations occurred during the shift. Share the positive skills the trainee demonstrated and any other suggestions. Share this with the driver at the end of the day and both of you sign and date the form at the bottom. Allow the new driver to write comments, concerns or feedback on their experience on the bottom of the form. Turn it in to the training supervisor to document your time.
