Welcome to FlyHealthy@SEA

Seattle-Tacoma International Airport (SEA) is preparing for the gradual reopening of the economy. We are committed to the health and well-being of passengers, visitors, and workers as part of [FlyHealthy@SEA](#).

Most passengers continue to follow state guidance to avoid non-essential travel, actions that help us maintain the health and safety of those performing essential work. Forecasts show passenger volume increasing with as many as 12,000 departing screened passengers on the busiest days next week.

We recently launched a [public dashboard](#) built to provide local governments and industries with key indicators to track the recovery at SEA. The airport economy provides jobs, sales, and tax revenue for our whole region, and key data on the weekly dashboard gives valuable, real-time activity indicators.

This weekly update summarizes actions by the Port of Seattle and our partners for FlyHealthy@SEA. Information changes rapidly. Bookmark our [website](#) and keep up on social media with #FlyHealthySEA.

In case you missed it!

SEA Airport continues to innovate with options for seamless, contact-free travel with the debut of [Pre-Booked Parking](#). Travelers can book parking prior to airport arrival as a convenient, cashless way to pay via credit/debit card or ApplePay. With physical distancing practices in place, travelers can drive their own vehicle and scan the booking QR code on their phone to enter and exit the garage. SEA's lowest rates are
