Port offers tenants emergency financial relief

As the Port of Seattle continues to respond to the COVID-19 pandemic, we are working to maintain community health, safety, and wellbeing while maintaining essential operations at critical Port facilities. We are also taking steps to [help our small business partners](#) and Port tenants recover from the COVID-19 economic collapse. The Port Commission approved an emergency short-term financial relief package that includes barring evictions at Port facilities due to an inability to pay rent through June 30, 2020 and the Port is collaborating with [regional partners on webinars](#) to help small businesses understand and access the resources being distributed as part of the [Federal Coronavirus Aid Relief and Economic Security \(CARES\) Act](#). In the next month, the Port will examine how federal, state, and local safety net programs and the CARES Act benefits Port businesses and workers as it considers additional financial relief. Port temporarily suspends ongoing construction to review COVID safety plans

The Port has temporarily suspended approximately 20 current construction projects from Thursday, April 9 to Monday, April 13 to complete reviews and updates of contractors' jobsite safety plans, an action necessary to protect workers and slow the spread of the COVID-19 virus. The temporary suspension does not apply to Northwest Seaport Alliance projects.

Port public art program seeks to purchase existing, recent work from local artists

The Port is seeking work from local and regional artists as SEA Airport expands its public art collection. Selected pieces will be located within the North Satellite (NSAT) Nursing Suite and SEA Employee Services Center. This is an opportunity for us to support the art community during the economic challenges of COVID-19 while beautifying airport spaces and diversifying the Port's art collection for the future. [More Information →](#)

Recap: March 24

The Port Commission authorized residential sound insulation for single-family homes and condominiums within the current airport noise remedy boundary, adopted a resolution relating to the Flight Corridor Safety Program, and heard a briefing on the Diversity in Contracting Annual Report. life in the region. [Keep Reading →](#)

TOGETHER, WE CAN SLOW THE SPREAD

Stay home and avoid all non-essential contact.

If you must go out, keep your distance and stay 6 feet apart

Wash your hands often with soap and water for at least 20 seconds.

Avoid touching your eyes, nose, and mouth.

Clean surfaces using a household cleaning spray or wipe.

Cover your cough or sneeze with a tissue, and throw it away.
