Apply for a South King County Fund economic recovery grant

[South King County Fund](#) economic recovery grants are now available. These grants will support communities most deeply impacted by the current economic crisis through projects connected to Port-related industries, including aviation, maritime, construction trades and green career industries. The proposal deadline is 12 p.m. on September 30, 2020. Projects must benefit near-airport communities: Burien, Des Moines, Federal Way, Normandy Park, SeaTac, and Tukwila. The Port established the South King County Fund in 2019 to develop equity-based partnerships and provide resources and support to near-airport communities. [Keep Reading →](#)

EXPANDING OPPORTUNITY

Port partners with King County cities to advance economic recovery

To provide small businesses relief and help regenerate local economies, the Port narrowed its [Economic Development Partnership Program's](#) focus to ensure city partners are providing relevant assistance during these challenging times. To address COVID-related economic challenges, next year's grant cycle will underwrite efforts to help small businesses survive and initiatives that regenerate consumer confidence around shopping and visiting local attractions.
