

Port of Seattle®

RISING TO RECOVERY

Ryan Calkins, Port of Seattle Commissioner
September 23, 2020

Impacts to All Lines of Business

Airport

75 percent decline*

NW Seaport Alliance

17 percent decline*

Cruise

100 percent decline*

*July 2020 vs July 2019

Industry Shocks and Recovery

Recovery Strategy

1 Stabilize businesses and maintain essential services

2 Focus on most vulnerable communities

3 Invest where others are not

4 Safely operate our gateways

Stabilize and Maintain Essential Services

- Rent relief for Port tenants, barring evictions due to inability to pay SEA and Maritime
- Webinars for small businesses
- Support for impacted workers

Black businesses hit hard by COVID-19 fight to stay afloat

June 1, 2020 at 8:34 am | Updated June 2, 2020 at 11:05 am

Unemployment in King County hits communities of color hardest

Jobless rate hits 40% in some immigrant neighborhoods near Sea-Tac.

by David Kroman / May 29, 2020

COVID-19 death tolls reach double digits in some South King County cities

The average COVID-19 infected person may be likely to infect just one or fewer additional persons with COVID-19, down from an average of 2.7 persons in late February, study says.
