## WELCOME!

Ground Transportation at Sea-Tac Airport has three major components: Airport customers, Ground Transportation Operators, and Airport employees.

For a majority of the Airport’s customers, their first and last impression of the Northwest may be formed by their experience with the Airport Ground Transportation services.

Each Ground Transportation operator should offer the highest level of customer service while acting in a courteous and professional manner. Together we will continue to function as one of the best Ground Transportation operation in the country.

## EMERGENCIES AT THE AIRPORT

For airport emergencies that require the attention of the airport Police or Fire Department, dial **911** from any phone. Your cooperation in reporting emergencies will help reduce confusion regarding the exact location and nature of the emergency. The precise directions you offer will reduce the response time for the first responders and provide adequate staff to the scene.

The nature of the emergencies you may see will vary. There may be an incident that requires the attention of medical personnel or police personnel. In the event you are a witness to behavior that you believe to be suspicious in nature (theft, security, bodily harm to others, etc.), report the incident to the Port of Seattle Police immediately.

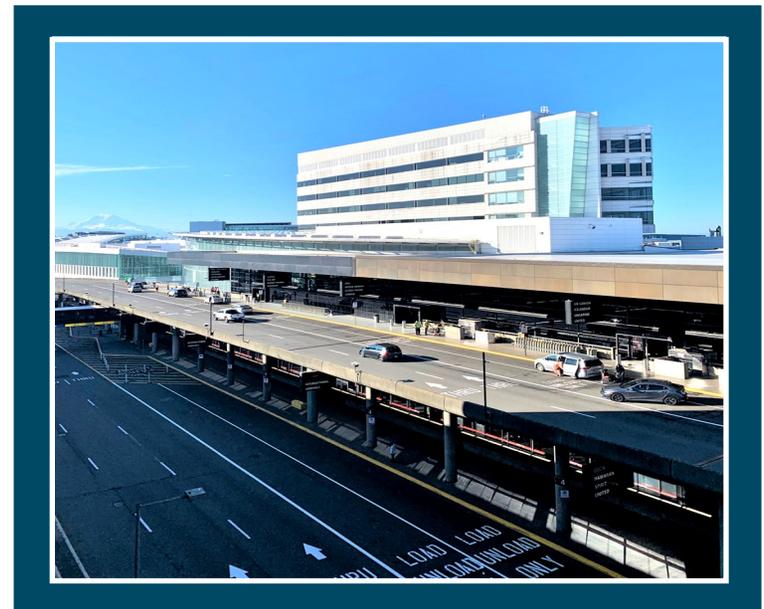

## OPERATION AGREEMENT

[www.portseattle.org/page/charter-bus-operators](http://www.portseattle.org/page/charter-bus-operators)

## USE OF PREMISES

## Information for Our Customers

Once all passengers in group have picked up their baggage, call 206-787-5906 to have bus dispatched (free phones alongside the escalator banks in baggage claim). Passengers will proceed to the North East Charter Bus Lot located on the North end of the parking garage structure.

- From the baggage claim area, go up escalators or elevator floor 1 and walk across the Skybridge.
- Walk across Skybridge, into the parking garage and take elevator, to Level 1.
- Level 1 on the elevator is where you'll find the "Cruise / Charter Buses" passenger loading area.
- After getting off the elevator on Level 1, you'll see signs for "Cruise & Charter Buses." Follow these signs down a white

illuminated corridor. You will be on the lowest level of the parking garage at this time.

- Walk for about 2-3 minutes along this corridor and you'll get to an expansive waiting area that's open to the outside. The outside space is the designated loading area for private charter bus and cruise passengers. Even if you're not going on a cruise, this will be your loading area for chartered private transportation.
- When you arrive at this loading area, call the contact number on your reservation and let your driver know that you've arrived. The driver will then be able to pull the vehicle around and load your group up in the loading area.

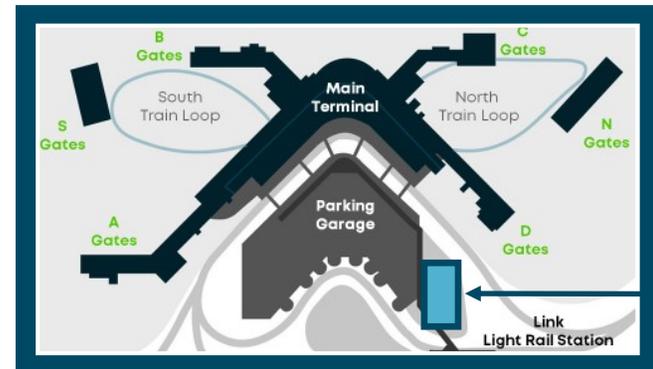

- C. Operators cannot pick up groups from the Northeast GT Lot without first using the 28<sup>th</sup> St. Lot. Operators are allowed to load in the Northeast GT Lot when the tour group is prepared for loading and baggage is waiting in the Northeast GT Lot. Otherwise, buses must wait in the 28<sup>th</sup> St. Lot. The Bus and driver will stay in the holding lot until the group has contacted either Ground Transportation or the Drivers cell phone. If the group calls the driver the driver will call Ground Transportation Dispatch and inform them of the arrival of the group. The bus will then be released to proceed to the Northeast Ground Transportation Lot (Charter Bus Pick Up Lot).
- D. Loading is limited to the Northeast Ground Transportation Lot (Charter Bus Pick up Lot. Each bus must check in at the 28<sup>th</sup> Bus Holding Lot prior to being dispatched to the Northeast GT Lot to pick up their assembled group. **Drivers must remain with their vehicles at all times unless Ground Transportation provides approval.** Self-dispatching to pick up the party will result in a citation issued by Ground Transportation.
