**ARTICLE 2 – UNION RECOGNITION**

2.01 The Port recognizes the Union as the sole and exclusive bargaining agent for Port Police Sergeants.

2.02 In accordance with RCW 41.56.037, the Union will be given thirty (30) minutes to meet with new employees of the bargaining unit within ninety (90) days of employment at a mutually agreeable time to discuss matters concerning the rights of employees, responsibilities of the Union, and services available to the membership. A Union Representative, Shop Steward, and/or Local Union member will be responsible for the presentation. Only the new employee will be released from duty with pay.

**ARTICLE 3 – UNION MEMBERSHIP**

3.01 The Port shall notify the Union as soon as possible of any deduction authorization received by the Port. Upon receiving notice from the Union, the Port agrees to deduct from the paycheck of each Union member or each non-member voluntary financial supporter covered by this Agreement who has voluntarily so authorized it, the initiation fee, and regular monthly dues, assessments or voluntary non-member financial supporter fee. Such authorization for deductions may be made in writing, electronically or through recorded voice. The Port shall transmit fees and dues to the Union once each month on behalf of the employees involved. If a deduction error is identified, the error will be addressed as soon as practicable.

3.02 The Port agrees to notify the Union of any new employees employed in classifications covered by this Agreement within five (5) business days from date of hire.

3.03 A Union member or voluntary financial supporter of the Union may cancel their payroll deduction authorization in accordance with the terms of the Union's payroll deduction authorization form by giving written notification to the Union. If the Union receives such written notification, confirmation will promptly be sent to the Port by the Union when the terms of the employee's signed payroll deduction authorization form regarding cancellation have been met. The Port will make an effort to end the automatic dues deduction effective the first pay period but no later than the second pay period after receipt of the written cancellation notice.

3.04 Indemnification and Hold Harmless. The Union agrees to indemnify and hold harmless the Port for any action(s) taken by the Port pursuant to this Article. The Union agrees to refund to the Port any amounts paid to it in error upon presentation of proper evidence thereof.

11.02      Restoration of Rank.   - 1. In-Person Appearance Between Regularly Scheduled Workdays. - (b) In advance of performance of overtime work, comp time must be requested by the employee and approved at the sole discretion of management.

The present overtime policies and procedures remain as is unless modified as herein.

15.09 On-Call Pay and Cell Phones. Sergeants will not normally be required to carry cell phones. If a Sergeant is specifically assigned "on call," such Sergeant will be required to carry a cell phone, and will be expected to respond and report as soon as possible if called. Sergeants on-call will be compensated at ten percent (10%) of each Sergeant's straight-time hourly rate for all assigned hours. If the on-call Sergeant reports for work during this period, in addition to the on-call pay benefit, other contract benefits apply, including call-back overtime pay. The Sergeant shall no longer receive on-call pay from the time that Sergeant reports for duty.

Sergeants called in from on-call that have not been assigned a car shall be reimbursed for mileage incurred in responding to the call out. In addition, the Port shall provide insurance coverage for officers to the extent that they are required to use their own car in such situations.

The Port of Seattle shall maintain an adequate number of Officers on each specialized team that may require assignment to "on-call" status. A Sergeant shall not be assigned to on-call status more frequently than one (1) period (not to exceed seven (7) consecutive days) during a twenty-eight (28) day FLSA work period.

15.10 Standby Pay. The Port agrees to minimize standby time. Standby time shall be authorized by the Chief or his designee. Beginning and ending times for the standby period shall be established and communicated to the employee prior to placement on standby. If an

employee is called back to work, the off-duty premium shall cease, and thereafter normal overtime rules shall apply.

Sergeants on standby are required to remain available through contact by a phone and must be available to work at all times. Upon being called, the Sergeant must respond and report to work immediately, and in any event no later than one hour (forty-five (45) minutes for K-9 Sergeants). Sergeants failing to report to work within one (1) hour (forty-five (45) minutes for K-9 Sergeants) shall be subject to loss of standby pay for the period up to the point at which the Sergeant reports to work and may be subject to further disciplinary action if appropriate.

15.11 On-Call and Standby Assignments. Management reserves the right to determine when and to what extent on-call and standby assignments are operationally necessary. The determination will be based on operational need and will not be made for the purpose of transferring Port law enforcement work outside the bargaining unit.

15.12 Call Back. In the event that overtime which has been specifically authorized by supervisory or command personnel is not an extension at the beginning or end of a normal shift, the Sergeant shall be paid for a minimum of four (4) hours at the overtime rate for the employee's classification or for the actual hours worked at the overtime rate if in excess of four (4) hours. Sergeant initiated overtime due to responding to an incident observed while on his/her way to work or way home after work shall not be considered a call back and shall be compensated at the overtime rate for the lesser of: (a) The time elapsed from the beginning of the overtime to the beginning of the shift; or (b) the time elapsed from the end of the shift to the end of the overtime; or (c) four (4) hours.

15.13 Mandatory Overtime. The following provisions shall apply to the assignment of mandatory overtime for Sergeants:

- (a) Mandatory overtime shall be used to ensure one official sergeant per shift. However, under situations identified by the Chief of Police, additional sergeants may be subject to mandatory overtime. During times of emergency, mandatory overtime may be administered with less than 24 hours' notice.
- (b) Mandatory overtime shall be assigned from an inverse seniority list, which will be restarted as of the first FLSA work period in January.
- (c) After the first FLSA work cycle, mandatory overtime will be assigned from a list of those with the least amount of total overtime.
- (d) Sergeants assigned to twenty five (25) hours of overtime during a pay cycle period will not be placed on the list for mandatory overtime assignment. In the event the list is exhausted, sergeants will be selected for mandatory overtime on the basis of inverse seniority.
- (e) Sergeants will not be subject to more than twelve (12) hours of mandatory overtime in one day, unless an exigent circumstance exists.

- (f) Sergeants will receive fourteen (14) days advanced notice of a mandatory overtime assignment.
- (g) Mandatory overtime will not be assigned in conjunction with approved bid vacation/holiday time.
- (h) The Department may cancel vacation time when there are an insufficient number of Sergeants available to cover the assigned shift. Cancelling of vacation will be done in an inverse order of seniority. Cancellation of vacation shall occur within thirty (30) days of the completion of vacation bidding.
- (i) If a sergeant is relieved of their mandatory overtime by another sergeant, the sergeant will be placed back into the rotation for mandatory overtime assignment.
- (j) There shall be a minimum of eight (8) hours of rest between shifts.

## **ARTICLE 16 – VACATION**

Annual vacation with pay shall be granted to all employees on the following basis:

16.01      Scheduling of Vacation Leave. At any time after the successful completion of six (6) months of employment, regular permanent employees (any employee hired from a Port posting) may request and use vacation leave of up to the number of hours accrued at the time of the desired vacation date, subject to the approval of the Chief of Police. Seniority shall be considered in accordance with departmental procedures when scheduling vacations, subject to the limitation that one (1) sergeant per squad may be off at any time on bid or non-bid vacation; however, management may authorize variances to this limitation on a case-by-case basis. Benefits continue during qualified disability, but not past a Sergeant's sixty-fifth (65<sup>th</sup>) birthday or ADEA extension. The maximum benefit is three thousand five hundred dollars (\$3,500) with a three percent (3%) cost-of-living net benefit adjuster. The policy contains a three to six (3-6) month preexisting condition limitation and certain exclusions and limitations for benefit payment.

If a Sergeant becomes disabled as a result of duty-disability, the Sergeant will have his/her job rights protected for two (2) years from the date of the disability provided the Sergeant is released to return to work and can perform all the job requirements of a Police Sergeant. In the event the Sergeant is not able to perform the job requirements of a Police Sergeant, the Port will make a good faith effort to find other suitable jobs within the Port for which the employee is qualified. In no event will jobs be created or modified specifically for that purpose. This understanding is predicated on a good faith application by the Parties involved.

Effective January 1, 2020, members of the bargaining group will be eligible to enroll in the Teamsters Retiree Welfare Trust Plus XL plan. The Port shall contribute fifty dollars (\$50.00) per month for the term of the Agreement toward the monthly premium of each member enrolled in the Teamsters Retiree Welfare Trust Plus XL plan. The balance of the monthly premium rate will be paid by members of the bargaining group through monthly payroll deduction. The Port will be absolved from any liability associated with this Teamsters Retiree Welfare Trust plan.

25.04 Maintenance of Plans. The Trustees may modify benefits or eligibility of any plan for the purposes of cost containment, cost management, or changes in medical technology and treatment. If increases are necessary to maintain the current benefits or eligibility, or benefits or eligibility as may be modified by the Trustees during the life of this Agreement, the Port shall pay such premium increases as determined by the Trustees.

Effective January 1, 2019, each employee shall contribute seventy-five dollars (\$75.00) per month toward the monthly premium costs in Article 25.02. The Employer shall pay the remaining costs of the monthly premiums.

Effective January 1, 2021, each employee shall contribute one hundred twenty-five dollars (\$125.00) per month toward the monthly premium costs in Article 25.02.

25.05 The Union may establish supplemental insurance programs for the employees under this Agreement. All of the premiums for such plans, if established, shall be paid for by the employees covered. If the Port is to process payroll deductions from employees to pay the insurance carrier on the employees' behalf, the Plan shall be subject to approval by the Port in regard to the responsibility of ongoing administration and related details.

## **ARTICLE 26 – PERFORMANCE OF DUTY, STRIKES, AND LOCKOUTS**

26.01 No Right to Strike. Nothing in this Agreement shall be construed to give an employee the right to strike, and no employee shall strike or refuse to perform assigned duties to the best of his/her ability. The Union agrees that it will not condone or cause any strike, slowdown, mass sick call, or any other form of work stoppage or interference with the normal operation of the Police Department or of the Port.

26.02 No Lockouts. The Port agrees that there shall be no lockouts.

26.03 Effect. The conditions stated in 26.01 and 26.02 of this Article shall remain in effect with or without a signed Labor Agreement.

26.04 Resolution; Expedited Arbitration. If a party is alleged to have violated this Article, the Parties agree to submit the alleged violation of this Article to expedited binding arbitration.

## **ARTICLE 27 – SAVINGS CLAUSE**

If any Article of this Agreement or any Appendix hereto should be held invalid by operation of law or by any tribunal of competent jurisdiction, or if compliance with or enforcement of any Article or Appendix should be restrained by such tribunal, the remainder of this Agreement and Appendices shall not be affected thereby, and the Parties shall enter into immediate collective bargaining negotiations for the purpose of arriving at a mutually satisfactory replacement of such Article.

## **ARTICLE 28 – ENTIRE AGREEMENT**

28.01 Entire Agreement; No Oral Modifications. The Agreement expressed herein in writing constitutes the entire agreement between the Parties and no oral statement shall add to or supersede any of its provisions.

28.02 Opportunity to Bargain. The Parties acknowledge that each has had the unlimited right and opportunity to make demands and proposals with respect to any matter deemed a proper subject for collective bargaining. The results of the exercise of that right are set forth in this Agreement.

## **ARTICLE 29 – GRIEVANCE PROCEDURE**

29.01 Grievance Defined. Any dispute regarding the interpretation or application of this Agreement shall be regarded as a grievance and shall be subject to the terms of this grievance procedure.

29.02 Time Limits. All grievances shall be presented within twenty (20) days of the occurrence or the date the employee actually knew or reasonably should have known of the occurrence, whichever is later. This time limit and the other time limits set forth in this Article may be extended by mutual agreement of the Employer and the Union. All references to time in this Article shall be to calendar days.

29.03 Election of Forum. A Sergeant electing to pursue a matter through the Civil Service System may not also pursue to arbitration a grievance through the grievance procedure. Any complaint that a matter constitutes a violation of Article 7 of this Agreement may not be pursued to grievance arbitration if the matter has been challenged in any other administrative or judicial forum.

29.04 Informal Resolution. The Parties acknowledge that every effort should be made by the employee(s) and the supervisor(s) to resolve issues prior to initiating grievance procedures.

29.05 Grievance Procedure.

### **STEP 1**

The affected employee shall present the grievance in writing to his or her Division Commander. If the Division Commander or the Division Commander's designee and the grievant are unable

to arrive at a satisfactory settlement, the Division Commander (or designee) will issue a written response to the employee, with a copy to the Union's Business Representative. The response shall be issued no later than ten (10) days after the date the grievance was initially filed. The Union may refer the grievance to Step 2 within ten (10) days of receipt of the Division Commander's response, or the date the response was due.

## STEP 2

Initiation of Step 2. The Union's Business Representative shall present the grievance in writing to the Chief of Police or the Chief's designee or the Port will present the grievance in writing to the Union's Business Representative. The written grievance shall contain a statement of the relevant facts, the section(s) of the Agreement allegedly violated, and the remedy that is sought.

Class Grievances. With respect to issues affecting more than one (1) sergeant, the Union may elect to file a grievance at Step 2 without the need for the individual Sergeant to file the grievance at Step 1. The twenty (20) day time limit referenced in Section 29.02, as well as the other requirements of this Article, shall be applicable to such filing.

Step 2 Meeting. Within fourteen (14) days after the initiation of Step 2, the Union's Business Representative and the Chief of Police or the Chief's designee shall meet to discuss possible resolution of the grievance. If the Parties are unable to arrive at a satisfactory settlement, the Chief or the Chief's designee will issue a written response to the Union's Business Representative within ten (10) days of the meeting. The Union may refer the grievance to Step 3 within ten (10) days of receipt of the response or the date the response was due. If the parties mutually agree to waive the Step 3 Board of Adjustment process, the Union may refer the grievance to Step 4 within ten (10) days of receipt of the Step 2 response or the date the response was due.

## STEP 3

Initiation of Step 3. The Union shall notify the Chief and the Port's Labor Relations Representative or the Port shall notify the Union, in writing, of its desire to move the matter to a Board of Adjustment.

Board of Adjustment. The Parties shall schedule a Board of Adjustment hearing which shall be heard no later than twenty (20) days after the initiation of Step 3. The purpose of the hearing is to evaluate all known facts relating to the grievance in order to determine an appropriate resolution. The Port's Labor Relations Representative, the Chief or designee, and two (2) Union Representatives shall be present, and both sides shall have an opportunity to present all information that they have relating to the grievance. If the Parties are unable to arrive at a settlement, or if the Board of Adjustment hearing is not held within twenty (20) days after initiation of Step 3, the Union may refer the matter to Step 4 within ten (10) days following the hearing. The Parties may mutually agree to waive the Step 3 process.

## **STEP 4 – ARBITRATION**

Initiation of Step 4. The Union or the Port initiates Step 4 by filing a written request with the other party, specifying the issue(s) to be arbitrated.

Selecting an Arbitrator. The Port and the Union mutually agree that either Party to this Agreement may apply to the Federal Mediation and Conciliation Service (FMCS) for a list of seven (7) persons who are qualified and available to serve as arbitrators for the dispute involved. Within ten (10) days of receipt of the FMCS list, the Parties will jointly select an arbitrator from the list by alternately striking one (1) arbitrator on the list until the final remaining arbitrator is selected as the arbitrator for the particular hearing. The Parties shall determine first initiative through a coin flip.

The Hearing. The hearing on the grievance shall be informal and the rules of evidence shall not apply. The arbitrator shall not have the power to add to, subtract from, or modify the provisions of this Agreement in arriving at a decision of the issue or issues presented; and shall confine his/her decision solely to the interpretation, application, or enforcement of this Agreement. The arbitrator shall confine himself/herself to the precise issue(s) submitted to him/her for arbitration, and shall not have the authority to determine any other issues not so submitted to him/her. The decision of the arbitrator shall be final and binding upon the aggrieved employee, the Union, and the Port. The fees and expenses of the arbitrator shall be equally split between the Parties; otherwise, each Party shall pay its own fees, expenses, and costs, including attorney fees, witness compensation, and transcript requests.

## **ARTICLE 30 – CONFERENCE BOARD**

30.01 Board Members. There shall be a Department Conference Board consisting of three (3) employees named by the Union and three (3) representatives of the Department named by the Chief. The Chief, or his/her representative, shall sit as one of the three (3) employer representatives to the maximum extent practicable, but any of the six (6) members may be replaced with an alternate from time to time. The Parties may mutually agree to bring in additional persons with expertise in the matters being discussed.

30.02 Requests; Discussion. The Conference Board shall meet at the request of the Union or the Port and shall consider and discuss matters of mutual concern pertaining to the improvement of the Department and the safety and welfare of the employees. These matters may include issues of development, committee membership, special team/unit assignments, testing, et cetera.

30.03 Purpose. The purpose of the Conference Board is to deal with matters of general concern to members of the Department as opposed to individual complaints of employees; provided, however, it is understood that the Conference Board shall function in a communications and consultative capacity to the Chief of Police. Accordingly, the Conference Board will not discuss grievances properly the subject of the grievance procedure, except to the extent that such discussion may be useful in suggesting improved Departmental policies. Either the Union representatives or the Port representatives may initiate discussion of any subject of a general nature affecting the operations of the Department or its employees.

30.04 Agenda; Minutes. An agenda describing the issue(s) to be discussed shall be prepared by the initiating Party and distributed at least three (3) days in advance of each meeting, and minutes may be kept and made available to members. Nothing in this Article shall be construed to limit, restrict, or reduce the management prerogatives outlined in this Agreement.

30.05 Answer(s). The Conference Board shall provide an answer to those issues/questions brought before it within a mutually agreed upon time.

## **APPENDIX B**

### **POLICE OFFICERS' BILL OF RIGHTS**

All employees within the bargaining unit shall be entitled to protection of what shall hereafter be termed as the "Police Officers' Bill of Rights" which shall be added to the present Rules and Regulations of the Port Police Department. The wide ranging powers and duties given to the department and its members involve them in all manner of contacts and relationships with the public. Of these contacts come many questions concerning the actions of members of the force. These questions often require immediate investigation by superior officers designated by the Chief of the Port Police Department. In an effort to insure that these investigations are conducted in a manner which is conducive to good order and discipline, the following guidelines are promulgated:

- A. The Police Sergeants covered by this Agreement do not waive nor will they be deprived of any of their Constitutional or Civil Rights guaranteed by the Federal and State Constitution and Laws, afforded and citizen of the United States.
- B. The following procedures shall apply to all administrative (i.e., non-criminal) investigations of misconduct, which if proved could reasonably lead to a suspension without pay or termination for that Sergeant. In such cases, the employee shall be informed in writing of the nature of the investigation and whether the employee is a witness or subject of the investigation.

If an employee is a subject of the investigation, prior to an investigative interview, the Port shall provide the employee with that information necessary to reasonably apprise the employee of the allegations of such complaint. Except in unusual situations, this information shall include the name of the complaining party. The above applies in cases of misconduct, and violations of department rules and regulations. When the Internal Investigation Section is assigned to investigate non-criminal cases, the accused shall be notified within five (5) working days.

- C. Any interrogation of an employee shall be at a reasonable hour.
- D. The interrogation (which shall not violate the employee's constitutional rights) shall take place at a Port of Seattle Police station facility, except when impractical. The employee shall be afforded an opportunity and facilities to contact and consult privately with an attorney of the employee's own choosing and/or representative of the Union before being interrogated.

An attorney of the employee's own choosing and/or a representative of the Union may be present during the interrogation, but may not participate in the interrogation except to counsel the employee.

- E. The questioning shall not be overly long and the employee shall be entitled to such reasonable intermissions as he/she shall request for personal necessities, meals, telephone calls, and rest periods.
- F. The employee shall not be subjected to any offensive language, nor shall he/she be threatened with dismissal, transfer, or other disciplinary punishment as a guise to attempt to obtain his/her resignation. No promises or awards shall be made as an inducement to answer questions.
- G. The Port will comply with any applicable state or federal restrictions that prohibit the use of a lie detector or similar tests as a condition of continued employment.
- H. An employee shall be permitted to read any material affecting his/her employment before such material is placed in the employee's personnel file, and an employee shall be allowed to rebut in writing material placed in his/her personnel file. Such written rebuttal shall also be included in the employee's personnel file.
- I. A sergeant may make a request to the Office of the Chief to review material that references the officer, contained in the Blue Team / IA Pro. The employee will be allowed access to review such materials unless they are part of an active investigation or otherwise protected from disclosure by law.
- J. The Police Department will notify a sergeant prior to providing written materials to the prosecutor's office regarding an internal investigation unless to do so would jeopardize an on-going criminal investigation.
- K. As a department locker is assigned to a Sergeant, who places his/her lock on such locker, locker search without notice may not be conducted without the permission of the Sergeant or without a search warrant, provided, however, with 24-hour notice to the officer involved, a locker inspection may be conducted by the Chief or the Chief's designee. Such an inspection may be conducted by order of the Chief without the requirement of employee's permission and without a search warrant. The employee shall have the right to be present during such locker inspection.
- L. Sergeants will have an opportunity to sign complaints of misconduct or resulting findings of such complaints before such material is entered into their personnel files. The Sergeant's signature constitutes acknowledgment that he/she has seen the material prior to its filing.
- M. All case documentation shall remain confidential within the Internal Investigation Section and to the Chief of Police, and any other members of Police or Port management with a reasonable need to know. Only cases which are classified as sustained shall be forwarded to the Department Administrative file as well as a conclusion of findings to Human Resources for inclusion in the employee's personnel records.

- N. There shall be a separate confidential Internal Investigation Section file for unfounded cases. Such unfounded case file may be opened for legitimate "need to know" reasons with the approval of the Chief and/or Deputy Chief. Such approval will be documented.
- O. The Police Department will maintain in a secure location a personal file for each bargaining unit employee. Every person who signs out a file must complete the Personnel File Access Form contained in the file. The Form will include a place for the name of the person signing out the file, the purpose, and the dates the file was signed out and returned.
- P. If for any reason an employee's personnel file or an internal affairs case in which an employee is identified as a subject is requested pursuant to the Washington State Public Records Act, RCW 42.56, the Department will provide to the affected employee timely notice and a complete copy of the request.

## APPENDIX C

### DRUG/ALCOHOL TESTING

#### PREAMBLE

While abuse of alcohol and drugs among our members is the exception rather than the rule, the Teamsters Local 117 Police Sergeants Negotiating Committee shares the concern expressed by many over the growth of substance abuse in American society.

The drug/alcohol testing procedure, agreed to by labor/management, incorporates state-of-the-art employee protections during specimen collection and laboratory testing to protect the innocent.

In order to eliminate the safety risks which result from alcohol or drugs, the Parties have agreed to the following procedures.

As referred to herein, testing shall be applicable to all entry level probationary employees and any other employee for whom the Port has a reasonable suspicion that the employee is working while under the influence of alcohol or drugs

- A. Illicit substance or drug abuse by members of the Department is unacceptable and censurable conduct worthy of strong administrative action.
- B. Preconditions to Drug Testing. Before an employee may be tested for drugs or alcohol based on a reasonable suspicion, the Port shall meet the following prerequisites.
  - 1. The Port shall inform employees in the bargaining unit of what drugs or substances are prohibited.
  - 2. The Port must provide in-service training containing an educational program aimed at heightening the awareness of drug and alcohol related problems.
  - 3. The Port and the Union shall jointly select the laboratory or laboratories which will perform the testing.
  - 4. The Chief or Deputy Chief shall be the Police Department representative to authorize or to approve a drug/alcohol test.
  - 5. The officer authorizing or approving a drug or alcohol test under this Appendix C shall provide a written report to the Chief, and to the employee, if requested, that documents the basis for ordering the test under the reasonable suspicion standard. The report shall be completed no later than the end of the shift on which the test was ordered.
  - 6. The Port shall not use the drug-testing program to harass any Sergeant.

- C. The Department shall also have the discretion to order any entry level probationary sworn employee to submit to a blood, breath, or urine test for the purposes of determining the presence of a narcotic, drug, or alcohol a minimum of two (2) times during such employee's entry level probationary period. These tests will be conducted in the following manner:
1. Tests will be administered to each entry level probationary employee a minimum of two (2) times, at various intervals, during the probationary period.
  2. Entry level probationary employees shall only be tested while on duty.
  3. The providing of a urine sample will be done in private.
  4. Obtaining of urine samples shall be conducted in a professional and dignified manner.
  5. A portion of urine samples shall be preserved to permit the following:
    - a. Positive samples shall be tested utilizing a GC/MS test.
    - b. A third test for positive samples shall be conducted if requested by the employee, at Port expense, by a reputable laboratory of mutual choice.

The exercise of this discretion by the Department shall be deemed a term and condition of such employee's period of entry level probation, and need not be supported by any showing of cause.

If any employee is ordered to submit to these tests involuntarily, the evidence obtained shall be used for administrative purposes only.

- D. Testing Mechanisms. The following testing mechanisms shall be used for any drug or alcohol tests performed pursuant to the testing procedure:
1. It is recognized that the Employer has the right to request the laboratory personnel administering a urine test to take such steps as checking the color and temperature of the urine samples to detect tampering or substitution, provided that the employee's right of privacy is guaranteed, and in no circumstances may observation take place while the employee is producing the urine sample. If it is established that the employee's specimen has been intentionally tampered with or substituted by the employee, the employee is subject to discipline as if the sample tested positive. In order to deter adulteration of the urine sample during the collection process, physiologic determinations such as creatinine and/or chloride measurements may be performed by the laboratory.
  2. The Parties recognize that the key to chain of possession integrity is the immediate labeling and initialing of the sample in the presence of the tested employee. If each container is received at the laboratory in an

undamaged condition with properly sealed, labeled and initialed specimens, as certified by the laboratory, the Employer may take disciplinary action based upon properly obtained laboratory results.

3. Any screening test shall be performed using the enzyme immunoassay, (EMIT) method.
4. Any positive results on the initial screening test shall be confirmed through the use of the high-performance thin-layer chromatography (HPTLC), gas chromatography (GC) and gas chromatography/mass spectrometry (GC/MS). If at any time there exists a test with a higher rate of reliability than the GC/MS test, and if such test is reasonably accessible at a reasonable cost, such test shall be used in place of the GC/MS test if requested by the Union.
5. All samples which test negative on either the initial test or the GC/MS confirmation test shall be reported only as negative. Only samples which test positive on both the initial test and the GC/MS confirmation test shall be reported as positive.
6. In reporting a positive test result, the laboratory shall state the specific substance(s) for which the test is positive and shall provide the quantitative results of both the screening and the GC/MS confirmation tests, in terms of nanograms per milliliter. All positive test results must be reviewed by the certifying scientist or laboratory director and certified as accurate.

E. Procedures to be used when the sample is given. The following procedures shall be used whenever an employee is requested to give a blood or urine sample. Normally, the sample will be taken at the laboratory. If taken at another location, transportation procedures as identified shall be followed. All sample taking will be done under laboratory conditions and standards as provided by the selected laboratory:

1. Prior to testing, or if incapacitated as soon as possible afterwards, the employee will be required to list all drugs currently being used by the employee on a form to be supplied by the Port. The Employer may require the employee to provide evidence that a prescription medication has been lawfully prescribed by a physician. If an employee is taking a prescription or non-prescription medication in the appropriate described manner and has noted such use, as provided above, he/she will not be disciplined. Medications prescribed for another individual, not the employee, shall be considered to be illegally used and subject the employee to discipline.
2. When a blood test is required, the blood sample shall be taken promptly with as little delay as possible. Immediately after the samples are drawn, the individual test tubes shall, in the presence of the employee, be sealed, labeled and then initialed by the employee. The employee has an

obligation to identify each sample and initial same. If the sample is taken at a location other than the testing laboratory, it shall be placed in a transportation container after being drawn. The sample shall be sealed in the employee's presence and the employee given an opportunity to initial or sign the container. The container shall be stored in a secure and refrigerated atmosphere, and shall be delivered to the laboratory that day or the soonest normal business day by the fastest available method.

3. In testing blood samples, the testing laboratory will analyze blood/serum by using gas chromatography/mass spectrometry as appropriate. Where Schedule I and II drugs in blood are detected, the laboratory is to report a positive test based on a forensically acceptable positive quantum of proof. All positive test results must be reviewed by the certifying scientist or laboratory director and certified as accurate.
4. When a urine sample will be given by the employee, the employee shall be entitled, upon request, to give the sample in privacy. In most cases, this process will take place at the laboratory. The sample container shall remain in full view of the employee until transferred to, and sealed and initialed in the two (2) tamper resistant containers and transportation pouch.
5. Immediately after the sample has been given, it will be divided into two (2) equal parts. Each of the two (2) portions of the sample will be separately sealed, labeled. If the sample is taken at a location other than the laboratory, it shall be stored in a secure and refrigerated atmosphere. One of the samples will then be delivered to a testing laboratory that day or the soonest normal business day by the fastest available method.
6. The sample will first be tested using the screening procedure set forth in Section (D) (3) of this appendix. If the sample tests are positive for any prohibited drug, the confirmatory test specified in Section (D) (4) of the appendix will be employed.
7. If the confirmatory test is positive for the presence of an illegal drug, the employee will be notified of the positive results within 24 hours after the Port learns of the results, and will be provided with copies of all documents pertinent to the test sent to or from the Port by the laboratory. The employee will then have the option of submitting the untested sample to a laboratory of mutual choice, at the Port's expense.
8. Each step in the collecting and processing of the urine samples shall be documented to establish procedural integrity and a chain of evidence. All samples deemed "positive" by the laboratory, according to the prescribed guidelines, must be retained, for identification purposes, at the laboratory for a period of six (6) months.

F. Consequences of positive test results.

1. An employee who tests positive shall have the right to challenge the accuracy of the test results before any disciplinary procedures are invoked as specified in Section (E) (7) above.
2. Consistent with the conditions of the appendix, the employer may take disciplinary action based on the test results as follows:

Confirmed positive test - Employee is subject to discharge.

G. Employee rights.

1. The employee shall have the right to a Union representative during any part of the drug testing process.
2. If at any point the results of the testing procedures specified in the appendix are negative, all further testing shall be discontinued. The employee will be provided a copy of the results, and all other copies of the results (including the original) shall be destroyed within 24 hours after the test results have been received by the employer. All positive test results will be kept confidential, and will be available only to the Chief, one designated representative of the Chief, the Human Resources Department and the employee.
3. Any employee who tests positive shall be given access to all written documentation available from the testing laboratory which verifies the accuracy of the equipment used in the testing process, the qualifications of the laboratory personnel, the chain of custody of the specimen, and the accuracy rate of the laboratory.

## APPENDIX D

### AGREEMENT REGARDING PAYMENT FOR PRIOR SERVICE FOR PENSION CREDITS

The Port of Seattle and Teamsters Union Local 117, on behalf of the affected law enforcement officers, hereby agree as follows:

1. Pursuant to RCW 41.26, officers have the right to secure pension coverage under LEOFF Plan II for past service as a law enforcement officer for the Port of Seattle during a period of time when those officers were denied entry into those plans.
2. Securing past service credit is dependent upon the payment of the amounts specified under RCW 41.40 prior retirement.
3. The Port of Seattle is desirous of ensuring that its officers have the opportunity to secure LEOFF Plan II coverage.
4. The Port of Seattle hereby agrees that it will negotiate an arrangement for paying in a single lump sum amount due for the coverage for the affected officers at no cost to the officers other than the repayment of principal as stated below to ensure coverage of the affected officers as soon as possible.
5. The Port of Seattle and each individual officer will negotiate a specific agreement. The Port will reduce the contribution for each officer to the Pacific Coast Benefits Trust as provided in Article 21 by \$0.80 per hour until the member has satisfied their repayment obligation to the Port of Seattle pursuant to the specific individual agreement. The agreement shall also allow officers to make repayments through the holiday pool, social security repayment, etc.
6. It is understood that the principal amounts due to the proper LEOFF plan for coverage will be repaid to the Port by the affected officers over time (without interest or charges) under the terms of the arrangement to be negotiated. However, the Port will assume complete and sole responsibility for any portion of the charges levied on the officers pursuant to RCW 41.40.093 or any other applicable law by the LEOFF plan for the amounts other than such principal including but not limited to interest accrued, charges or amounts other than the principal.
7. It is understood that this agreement applies only to those officers who filed written notice with the Department of Retirement Systems of an election to transfer to LEOFF II pursuant to RCW 41.40.093 (1) (b).
8. Details regarding the Employer's payment of a lump sum on behalf of individual employees to the Washington State Department of Retirement Systems, and the individual employee's reciprocal reimbursement to the Employer are to be finalized by March 31, 1997.

**Re: Code of Conduct/Workplace Responsibility Handbook**

The parties to this Memorandum of Understanding agree as follows:

1. The collective bargaining agreement is the primary instrument governing the relationship between the Port of Seattle and Union-represented employees. The bargaining agreement sets forth a represented employee's terms of employment, including wages, hours, and working conditions.
2. The Code of Conduct/Workplace Responsibility Handbook does not modify or supersede the collective bargaining agreement or any other negotiated agreement between the Port and a Union. Neither is the Code intended to modify or supersede any bona-fide past practice except for the Code's reporting requirements, as explained in Item 4 of this Memorandum of Understanding.
3. The Code does not change a represented employee's existing just cause protections.
4. The Code's reporting requirements direct employees to report potential violations to the Workplace Responsibility Officer and other designated officials. Although the Code's requirements may constitute a change in past practice for some represented employees, the parties agree that the reporting requirements of the Code apply to all represented employees. The parties further agree that the Code's reporting requirements do not preclude represented employees from reporting potential violations to other individuals, so long as they also report to the officials required by the Code.
5. Each represented employee will receive a reasonable amount of work time to review the Code prior to signing. Represented employees will be expected to be familiar with and understand the Code provisions. Represented employees also will be expected to verify that they have reviewed the Code by June 1, 2010.

6. The Port will attach to the Code a letter to represented employees from the Port of Seattle Labor Relations Director. The letter will notify the employees of this Memorandum of Understanding between the Port and the undersigned Unions.
7. The Code includes some new content that materially differs from existing Port policy and therefore may constitute a change in working conditions for some represented employees. To the extent that the Port has a bargaining obligation regarding the change(s), such content of the Code shall not be the basis of any action against members of the signatory Unions until each Union has had an opportunity to bargain the change(s). In meetings held to discuss the Code with employees represented by the signatory Unions, the Port will conspicuously communicate this fact these employees.
8. The Port acknowledges that to the extent that new content in the Code constitutes a material and substantial change in working conditions for which the Port has a bargaining obligation, at the time of execution of this Memorandum the parties had not negotiated such change(s). Additionally, the Port acknowledges that at the time of execution of this Memorandum, the signatory Unions had not waived contractual and/or statutory rights they possessed prior to the Port's development and implementation of the Code.
9. This Memorandum of Understanding may be signed in counterparts, which together shall constitute the entire agreement.
10. Any signature received by facsimile will have the same force and effect as does an original signature on this document.

**RE: PERC Cases #26890-M and #26891-M**

**Background:**

1. Effective January 1, 2009 a 12 hour patrol schedule was implemented pursuant to the parties' 2009 – 2011 Collective Bargaining Agreement.
2. In July 2009, monthly vacation and sick leave accruals were converted to hourly accrual rates per agreement by the parties;
3. From July 2009 to May 2013, due to an error made implementing the hourly leave accrual rates, employees working the 12 hour patrol shifts over accrued vacation and sick leave hours.
4. Officers and Sergeants, depending on longevity over-accrued between 0 – 40 hours of vacation and 0 – 20 hours of sick leave over the nearly four (4) year period when the error went undetected.
5. The parties, unable to reach agreement on a recoupment method or resolve other issues related to the dispute, filed for mediation.

**Agreement:**

1. As part of the parties' regular contract negotiations that concluded on April 7, 2015 in a tentative agreement, and to avoid on-going, costly dispute resolution processes the Port agrees to grant the over accruals.
2. The Parties agree to jointly petition the Public Employment Relations Commission to withdraw the above referenced cases noting that the matters are fully resolved.
3. The Parties agree that this resolution is in no way precedent setting for any future matter.
4. This Agreement constitutes full and final settlement.

**Re: Scent Borne Canine Positions – Settlement Agreement**

This Memorandum of Understanding between the Port of Seattle ("the Port") and Teamsters Local Union No. 117 ("the Union") is intended to resolve the unfair labor practice charge, unit clarification, and grievance identified below.

**The parties agree:**

- 1) There will be a 7:1 ratio of canine handler Officer Positions to canine handler Sergeant Positions. This would mean the Department would have to have at least eight (8) total canine positions (7 Officers, 1 Sergeant) for one (1) Sergeant to have a dog and the Department would have at least sixteen (16) total canine positions (14 Officers, 2 Sergeants) for a second Sergeant to be assigned a dog.
- 2) Canine Trainers will be filled as staffing allows and at the discretion of the Department. Both parties agree that canine trainer duties will remain Officer bargaining unit work as set forth in the Officer's Collective Bargaining Agreement.

**Settlement:**

This Settlement Agreement resolves the Unit Clarification case (Case No. 128976-C-17) on this matter. In addition, and as part of this settlement, Local 117 agrees to withdraw its Unfair Labor Practice case (Case No. 128934-U-17) as well as the grievance on this matter.

The following Memorandum of Understanding is made and entered into between the Port of Seattle and the International Brotherhood of Teamsters, Local 117, Police Sergeants, regarding the addition of a Waterfront Sergeant and a BDU/K9 Sergeant and is subject to the following:

1. The Port intends to add two (2) additional Sergeant Positions to the Sergeant's Bargaining Unit.

The Port and the Union agree that the additional Waterfront Sergeant position will be assigned a twelve and a half (12.5) hour work schedule with the regular days of work being Friday, Saturday, and Sunday. All benefits and work requirements including the ten (10) hour make up day will be the same as other patrol sergeants working a twelve and one half (12.5) hour work schedule as provided in Article 15 of the Collective Bargaining Agreement between the Port of Seattle and the Teamsters Local Union No. 117 Representing Police Sergeants.
3. The Port and the Union agree that the additional BDU/K9 Sergeant position will be assigned a twelve (12) hour work schedule that results in a thirty-six (36) hour work week and a forty-eight (48) hour work week in each pay cycle. The regular work days will be Monday, Tuesday, Wednesday, and every other Sunday. The regular schedule will start at 0500. However, the BDU/K9 Sergeant will have the ability to adjust the start time based on need as approved by their supervisor. This position will receive a two and one half percent (2.5%) twelve (12) Hour Patrol Shift Premium Differential for working additional straight time hours exceeding two thousand and eighty (2080) in the work year as provided in Appendix A, Section N of the Collective Bargaining Agreement between the Port of Seattle and the Teamsters Local Union No. 117 Representing Police Sergeants.

## PROCLAMATION OF THE PORT OF SEATTLE COMMISSION

**WHEREAS,** Black lives matter; and

**WHEREAS,** racial oppression is deeply rooted in our nation's early beginnings — from the mass exploitation of Native American populations to the enslavement of Black Americans — and acknowledging this checkered past is essential to healing and creating a more equitable future; and

**WHEREAS,** on January 1, 1863, President Lincoln's Emancipation Proclamation declared "that all persons held as slaves...are, and henceforward shall be free"; and

**WHEREAS,** news and enforcement of the Emancipation Proclamation did not reach Texas until June 19, 1865, two and one half years later – when Major General Gordon Granger, landed at Galveston, Texas with news that the Civil War had ended and that the enslaved were now free; and

**WHEREAS,** Juneteenth (June 19<sup>th</sup>) is the oldest nationally celebrated commemoration of the ending of slavery in the United States; and

**WHEREAS,** in 2003, Port employee Lilyian Caswell-Isley, former Director of Social Responsibility, led the first celebration of Juneteenth at the Port, and through the leadership of Blacks in Government, the Port continues to celebrate Juneteenth annually; and

**WHEREAS,** the Port of Seattle Commission has a social responsibility to combat systemic racism and racism in all its nefarious forms, and work to contribute to a more equitable and just world; and

**WHEREAS,** the Century Agenda Goal 5 calls for the Port to "Become a Model for Equity, Diversity and Inclusion;" and

**WHEREAS,** in 2019 the Port established an Office of Equity, Diversity, and Inclusion to address institutional racism and increase equity, diversity, and inclusion in Port policies, processes, and programs; and

**WHEREAS,** the official recognition of Juneteenth as a Port Holiday is a significant way that we can celebrate freedom, help create a culture of belonging, and a more equitable, anti-racist Port culture.

**NOW, THEREFORE,** the Port of Seattle Commission hereby honors and recognizes Juneteenth, the 19th of June each year, as an official Port Holiday for non-represented employees, and one of the many ways we celebrate our rich African-American cultural heritage, acknowledge our history of institutional racism and slavery, demonstrate that Black lives matter, and advance racial equity.
