Spotlight

Information & Advertising Kit

About Spotlight

The Port of Seattle has reserved advertising locations at Seattle-Tacoma International Airport (SEA Airport) for use by statewide cities and community organizations. The cities of Burien, Des Moines, Federal Way, Normandy Park, SeaTac and Tukwila, as well as other cities, counties, chambers of commerce, destination marketing organizations and non-profit organizations throughout Washington State are eligible to apply. We have named this program Spotlight, highlighting the focus on our communities.

The purpose of Spotlight is to give organizations the opportunity to provide SEA Airport travelers with an awareness of destinations, attractions, activities and events occurring in our region. The economic impact of traveler visitation and expenditures could benefit WA State regions and communities.

- South Satellite: 1

Dimensions: 62" W x 43" H

Mini-Spectacular

Total Spots: 1

Locations:

- D Concourse: 1

Dimensions: 69" W x 69" H

Steps to follow

Once you have been awarded an advertising location, please follow these 4 easy steps:

- 1** You will receive an agreement for signature, Port SEA logos and a spec sheet for your ad based on the location you are awarded.
- 2** Non-exempt awardees are responsible for paying the Washington State Department of Revenue (DOR) Leasehold Excise Tax (the Port's Accounting Dept. will invoice). You are responsible to contact WA State DOR directly, before completing an application form, to confirm whether your organization is exempt or non-exempt from the leasehold excise tax (see Application Form).
- 3** Submit your ad design, including a visibly-sized Port SEA logo for approval asap, or at least three weeks prior to the awarded start date to spotlight@portseattle.org.
- 4** Once your ad has been approved, please submit the design to the Port's preferred vendor, Devil Dog Installations, two weeks prior to the start date.

and removal.

FAQ

Q: How do we go about applying given that as an organization, our advertising message may change if awarded a sign location outside the airport secured area versus in the secure area on the concourses?

A: If your message may change based on the location, then state both of the messages or intentions in your application and identify which message would be utilized when in the secure area or outside the secure area (baggage claim).

Q: How many times can an organization apply for an advertising location?

A: There are two application opportunities for 2022. You are welcome to apply for both opportunities. Awards are made on a quarterly basis.

FAQ

Q: What's the cost to participate in the Spotlight Program?

A: Production and placement of the approved signage will be paid directly to Devil Dog Installations. The estimated cost will be between \$526 - \$1,053 per sign placement depending on sign type (single, mini-spectacular, or double-sided).

In addition, each sign location is subject to Washington State Department of Revenue (DOR) leasehold excise tax compliance. You are responsible to contact [WA State DOR](#) directly to determine your organization's exempt or non-exempt status, which is different than "non-profit" status. As proof, you may be required to provide documentation from DOR for exempt status.

The Port of Seattle's Accounting Dept. will invoice each non-exempt awarded organization for the leasehold excise tax which is estimated to be \$516 per quarter for a single-sided sign and \$1,032 per quarter for a double-sided sign.

FAQ

Q: Will the Port of Seattle need to be recognized on the actual signage?

A: Yes. The Port of Seattle's SEA logo is required on all signage, as sponsor recognition.

Q: Can an organization propose a specific event that will include the date(s) and location of the event?

A: Yes, an organization may advertise a specific event including date and location. If the event transpires and is completed during the actual quarter, then the Port of Seattle has the prerogative to remove and replace the sign.

Q: Who is responsible for the actual creative sign design?

A: The awarded organization.

FAQ

Q: Who is responsible for the production and the actual placement of the sign at the agreed upon sign location at the airport?

A: The Port of Seattle recommends Devil Dog Installations for the production and installation of the signs. The awarded organization will be responsible to contact Devil Dog Installations, once their ad is approved, and remunerate Devil Dog Installations directly.
