Choose an in-network dentist

Seeing a non-participating dentist means greater out-of-pocket costs! Your plan gives you access to the Delta Dental PPO network. These dentists:

1. Provide treatment according to your plan's specific guidelines
2. Agree to accept lower fees
3. File claims for you

Find an in-network dentist near you:

1. Visit DeltaDentalWA.com
2. Click on 'Online Tools' and use our 'Find a Dentist' tool
3. Select 'Delta Dental PPO' to filter your search results

Visit your dentist regularly

Your plan covers preventive care visits each year. Regular cleanings and check-ups are essential to keeping your smile healthy and preventing painful, expensive problems down the road.

Get a Confirmation of Treatment and Cost

When you need extensive treatment, like a crown, ask your dentist for a "Pre-treatment estimate." We'll send a **Confirmation of Treatment and Cost** document that details your dentist's treatment plan, what your benefits cover, and how much you may owe your dentist for the treatment.
