SECTION 1. Purpose.

The Port of Seattle Commission has authority pursuant to RCW 53.08.170 to create and fill positions, fix wages, salaries, and establish other benefits of employment including retirement, insurance, and similar benefits. The intent of this policy directive is to administer pay and benefits in accordance with state and federal law. (*Res. 3739, §7, 2017*)

SECTION 2. Definitions.

Except as otherwise provided, the following definitions apply to this policy directive:

“At-will” means a designation given to some non-represented jobs or positions at the Port where the employment relationship may be terminated by the port or employee at any time and for any or no reason. Employees hired as at-will are not subject to the port’s progressive discipline process. Jobs designated as at-will are noted with an asterisk in Exhibit A of this policy directive. When a job opening is posted for an at-will position, the at-will designation will be identified in the posted notice. An offer of employment made to a current employee or external candidate for an at-will position will state that the position is at-will and exempt from any progressive discipline policy. Employees hired, or appointed, into at-will jobs prior to January 1, 2014, are grandfathered as ‘for cause’ employees. However, any employee hired prior to January 1, 2014, who is transferred or promoted into an at-will position is no longer subject to the termination “for cause” standard and will be exempt from any progressive discipline policy.

“Commissioner” means an individual who is elected to the office of Port of Seattle Commissioner and is eligible for benefits as provided in the relevant provisions of Section [5.4](#). This definition includes a commissioner who may be appointed mid-term due to an unanticipated vacancy.

“DRS-retired employee” means an employee who is receiving a pension from any retirement plan administered by the State of Washington Department of Retirement Systems (DRS). Refer to the DRS web site or brochures for specific information about any limitations on working after retirement.

“Emergency hire employee” means an employee hired without a competitive hiring process whose initial employment is limited to three months and whose employment may be extended for no more than two additional months without a competitive hiring process.

“Employee” means an individual who performs personal services for the port and receives a paycheck from the port payroll system with employment taxes withheld. Employees of temporary agencies or independent contractors are not employees.

“Employment Date/Date of Hire” means the first day an employee comes to work and receives pay for time worked.

“Executive Director” means an employee who is appointed by the commission and who is subject to the terms and conditions of this policy directive. In the event of any conflicting or inconsistent

terms and conditions between this policy directive and the employment agreement, the employment agreement will prevail. This includes any terms, conditions, adjustments to pay, pay range, or benefits for the Executive Director adopted in open session by the Port of Seattle Commission.

“For cause” means a designation given to most non-represented Port of Seattle jobs and positions where the employment relationship can be terminated by the port for reasons that conform to previously defined standards of unacceptable conduct or performance.

“Full-time employee” means an employee who is regularly scheduled to work 80 hours per bi-weekly pay period.

“Hourly employee” means an employee working in a non-exempt job, one that is eligible for overtime per the provisions of the Fair Labor Standards Act (FLSA) and the Washington Minimum Wage Act (WMWA).

“Intern” means a temporary employee who is hired in accordance with the Intern Program Guidelines, is considered a student per the program guidelines and is performing duties in accordance with the student’s course of study.

“Limited duration employee” means an employee who is hired for more than 90 days in a job with a planned end date.

“Non-represented employee” means a salaried or hourly employee not represented by a labor union.

“On-call employee” means an employee who does not have a regular work schedule and whose work hours can vary from week to week indefinitely.

“Part-time employee” means an employee who is regularly scheduled to work less than 80 hours per bi-weekly pay period.

“Pay rate” means an employee’s hourly pay rate as specified in the compensation rate field contained in HCM, the Port’s HRIS system.

“Probationary Employee” means a newly hired or rehired employee who has not yet successfully completed their probationary period and is expected to establish a consistent, acceptable level of performance and behavior that is sufficient to retain their employment. If hired into a regular position, temporary employees (Veteran Fellows, Interns, Emergency Hires) are subject to a probationary period starting at the time of hire into the regular position.

“Probationary period” means an extension of the hiring process, the period of time from the day a newly-hired or rehired employee begins work at the Port of Seattle through the end of the sixth month of employment unless the employee is selected for a new position before completing their

probationary period. In this case, the employee's probationary period will restart beginning with the date of transfer through the end of the sixth month of employment in the new position.

"Project-related temporary assignment" means an assignment for a full-time or part-time employee that is generally expected to last no longer than four years. Extensions to these types of assignments are only allowed in special circumstances with approval from Human Resources management.

"Regular employee" means an employee hired to perform a job without a specified end date.

"Salaried employee" means an employee working in an exempt job, one that is not eligible for overtime per the provisions of the Fair Labor Standards Act (FLSA) and the Washington Minimum Wage Act (WMWA).

"Seasonal Employee" means an employee hired to perform a job that exists on a seasonal basis where the season begins and ends at approximately the same time each year and lasts less than a full year. Seasonal employees initially hired into a seasonal job through a competitive hire process may return to work subsequent seasons without being hired through a subsequent competitive hire process.

"Temporary assignment" means an assignment for a full-time or part-time employee that is generally expected to last no longer than six months. A temporary assignment may only be extended one time for a maximum of six additional months with the approval of Human Resources management.

"Temporary employee" means an employee hired to perform a job with a specified end date.

"Veteran fellow" means an employee who is hired and receives pay and benefits in accordance with the Veteran Fellowship Program.

Should any part of this policy directive require a change to pay or benefit administration practices by reason of any existing or subsequently enacted local, state, or federal legislation, such change(s) will be incorporated without the need for commission action. (*Res. 3739, §7, 2017*)

D. Job Evaluation System. It is the policy of the commission to pay port employees based on the port's Total Rewards philosophy. It is also the policy of the commission to establish a job evaluation system that evaluates jobs based on required skill level, responsibility, effort required, and working conditions, among other characteristics, of each job. Jobs shall be evaluated on an on-going basis and administered by Human Resources management under the direction of the Executive Director. The results of the job evaluation system shall be considered in determining the appropriate pay grade for each job as well as the appropriate exempt or non-exempt status of each job according to the criteria of the Federal Fair Labor Standards Act (FLSA). The Senior Director of Human Resources, under the supervision of the Executive Director, shall have the final approval authority for all job evaluation outcomes and title changes except for jobs in the Human Resources department and that of the Executive Director. Job evaluation outcomes and title changes for jobs in the Human Resources department will be approved by the Executive Director. This authority shall include re-evaluation of existing jobs and establishment and evaluation of new jobs. *(Res. 3765, §1, 2019; Res. 3739, §2, 2017)*

E. Pay Practices.

- (1) Pay Considerations. An employee's work schedule shall consist of their normal daily and weekly work schedule during a two-week pay period. A full-time employee's work schedule is 80 hours each bi-weekly pay period. Full-time employees work between 8 and 10 hours each day and salaried, exempt, employees are expected to work the hours necessary to complete assigned work.
- (2) Payroll. Employees shall be paid bi-weekly, typically on Friday. The port's payroll week shall begin Sunday at 12:01 a.m. and end Saturday at midnight. Employees are required to complete a direct deposit authorization form upon hire and to keep such information current so that electronic paycheck deposits can be made automatically to the employee's designated financial institution. The port shall have the right and obligation per the Washington State Constitution Article VIII, Section 7, to recover any amounts paid in error.

- (3) Initial Pay Rates. Pay rates shall normally be based on skill, knowledge, and experience and set between the minimum and midpoint of the pay range for employees hired or otherwise moving into a non-represented job. Under special conditions and with appropriate documentation, human resources management may authorize pay above the midpoint of the pay range for employees possessing exceptional qualifications or experience, or for internal/external equity reasons.
- (4) Overtime. Full-time and part-time hourly employees, those whose jobs are classified as non-exempt, shall receive overtime pay in accordance with prevailing state and federal laws.
- (5) Information and Communications Technology (ICT) Stand-by Pay. Hourly, non-exempt, ICT employees who are required to be available during non-work hours to respond to issues or solve problems will be eligible for ICT stand-by pay.
- (6) Other Pay Adjustments. Other pay adjustments including, but not limited to, promotional increases, completion-of-probation increases, six-month increases, and temporary assignment adjustments.
- (7) Special Pay Adjustments. The Executive Director, or Human Resources management under the supervision of the Executive Director, may approve special pay adjustments for reasons deemed appropriate. Special adjustments provide flexibility in ensuring appropriate compensation in unusual situations and circumstances that are not otherwise addressed by Port pay administration policies or procedures.
- (8) Pay for Performance. The Pay for Performance program is comprised of the two components, a base pay increase component and an incentive pay plan component. The incentive pay plan may be addressed in a separate resolution.
 - (a) Base Pay Component. This component permits eligible non-represented employees to earn increases to their base pay that are based on performance ratings earned during the previous performance review period. The amount of the base pay increases shall be approved by the commission as part of the port budget process and administered according to a plan approved by the executive director and implemented by Human Resources management.
 - 1. Consistent with the general delegation of authority, the commission shall provide input to the executive director regarding performance of those employees that report directly to the executive director for the executive director's benefit in rating the performance of the executive director's direct reports. Such input shall be provided in executive session no later than the last commission meeting in January.

- (9) Pay for the Executive Director. Pay and performance evaluation for the executive director shall be approved by the Commission in public session. The commission shall have discretion in determining pay of the executive director.

(Res. 3765, §1, 2019; Res. 3739, §2, 2017)

F. Pay Rates and Pay Ranges for Non-Evaluated Jobs. Pay rates, pay ranges, and a provision for a special allowance for non-evaluated positions shall be as follows:

- (1) High School, College, and Graduate Intern Positions. Pay rates and employment conditions for students employed under provisions of the Port of Seattle Intern Program shall be determined by human resources staff based upon state or local minimum wage regulations.
- (2) Chief of Police, Fire Chief, Deputy Chief of Police, Assistant Fire Chief. These jobs are not evaluated, and ranges are established based on local market rates for similar work to facilitate appropriate pay administration for employees in these jobs.
- (3) Veteran Fellows Positions. Veteran fellowship jobs are not evaluated, and ranges are established to facilitate appropriate pay administration based on the work performed and in accordance with the Veteran Fellowship Program guidelines.
- (4) Executive Director. This job is not evaluated and no pay range is established. The executive director's pay is established by the port commission.

(Res. 3739, §2, 2017)

G. Amending Authorized Jobs, Pay Grades, and Pay Ranges. Pay ranges may be amended by ordinary motion approved by the commission at any regular or special meeting when the changes are the result of provisions contained in this policy directive. Exhibit A may be amended by human resources management when the changes are the result of provisions contained in this policy directive (e.g., on-going job evaluations or technical errors). *(Res. 3739, §2, 2017)*

SECTION 5.2. Policy Regarding Benefit Programs Offered to Employees.

A. The port commission supports providing a competitive benefit package for employees and their families that assists the port in retaining and attracting employees with the skills and abilities essential to carry out the port's work. As such, the commission authorizes the following benefits programs. *(Res. 3739, §3, 2017)*
