The image shows a Facebook post on a dark theme. On the left is a large image of a Super Mario character. To the right is the post content, including the profile name 'Experience Tukwila', the text of the post, and interaction buttons like 'Like', 'Comment', and 'Share'. The post has 25 likes, 7 comments, and 111 shares.

Experience Tukwila
Published by Planable · March 10 ·

Fun fact: Did you know that **Super Mario** was named after a man from Tukwila? It's true! He was the landlord for the warehouse where Donkey Kong was being created and he just so happened to walk in to demand the rent check on the day the creators were trying to pick names for their game characters. The rest is history! #MarioDay
