TOTAL REWARDS PHILOSOPHY

THE PORT’S TOTAL REWARDS

Total Rewards is everything the Port offers to you and your family as a result of your contribution to the port’s mission.

The Total Rewards Philosophy provides a framework to guide decision making about our various reward programs.

OVERARCHING PRINCIPLES

- Total Rewards must align with the Port’s mission, values and long-term business strategy, nurture our unique culture, and grow our business.
- Total Rewards must support employees performing their best, as well as their development and well-being.
- Total Rewards must be managed in a fiscally responsible way that is sustainable over time, and Total Rewards decisions must recognize the financial impact on our organization, customers and community.
- Total Rewards must be applied consistently throughout the Port to support one organization working to accomplish overall Port goals.
- Total Rewards will reflect the Port’s commitment to Equity, Diversity and Inclusion.
- Total Rewards will support the retention and attraction of employees who have the skills and talents necessary to achieve the Port’s mission.
CORE PRINCIPLES GUIDING TOTAL REWARDS

Pay
The compensation you receive in exchange for the work you perform.
- Pay structures will reflect market pay rates
- Pay increases will be market competitive and consider cost of living changes
- Comparable work will be paid similarly

Benefits
Plans and programs that enhance the health, well-being and financial security of you and your family.
- The total benefits package will be slightly better than market
- Benefit programs will provide choices to meet the diverse needs of employees and their families at different life stages
- The Port will make information available to enable employees taking an active role in their benefit decisions
- The benefit package will provide at least a minimum level of financial security in the event of unexpected life events
- Employees will share in the cost of their health care and other benefits
- The Port is committed to administering the benefits package in an inclusive way
- The Port will provide tools and resources to support healthy living for employees and their families

Learning and Development
Opportunities to grow yourself personally and professionally to contribute to and achieve the Port’s mission and vision.
- The Port will provide a range of learning and development activities for all employees that support personal and professional aspirations
- Employees will receive regular feedback on their performance

- Employees play an important role in their own development
- Leaders will demonstrate support for learning and development in themselves and their staff

Recognition
Acknowledgment and celebration of employees’ unique contributions that align with Port values. Recognition may be individual or team-based, formal or informal, tangible or intangible.
- Employee and team accomplishments fosters a culture of appreciation
- Recognition will be meaningful to those being recognized and presented in a timely manner
- Recognition happens throughout the Port from peers and managers alike
- Retiree contributions to the port should be acknowledged

Port Experience
A unique and engaging environment that reflects the Port’s commitment to the success of our region and community. The opportunity to bring your passion, innovation and desire to affect change through public service. A culture with an appreciation for individuality and diversity where all voices are heard.
- We value the diverse perspectives and rich ideas that our workforce brings
- We foster a culture that promotes health, safety, and work-life balance
- We encourage innovation and creative problem solving
- We provide opportunities to have a positive impact with our customers and in our communities
- As a unique public enterprise we take pride in being a major economic driver within the community and region
