CONTEST INFORMATION PACKET

ABOUT THE NMA LEADERSHIP SPEECH CONTEST

The National Management Association (NMA) proudly presents its Leadership Speech Contest as one of the nation’s leading competitions among high school age students. Its primary purpose is to promote better understanding of Leadership and the unique role it plays in today’s world. The top prize is $2,000 cash! The Contest is sponsored and funded by our NMA Educational Foundation, Inc., a 501 (c)(3) organization. The contest involves young men and women in grades nine through twelve. They research, write, and then deliver a speech based upon their interpretation of a variety of Leadership topics. Topics such as Leadership in the world, its application to the free enterprise system and what Leadership means to them personally are some examples of speech themes. In short, the students are limited only by their imagination and creativity.

Students report to us that participation in this contest increases their awareness and understanding of Leadership. The contest provides an incentive for the development of communication skills – vital to those preparing to enter the workforce. In communities across the country, the NMA Contest has become recognized as an innovative program supporting our young people.

The financial rewards, at all levels of the competition, contribute to students’ furthering their education. NMA members take enormous pride in their program and herald the contest as one of the NMA’s greatest contributions to understanding the various aspects of Leadership. We sincerely invite you to look at our program closely and join us in participating in this important program. Port of Seattle NMA Contact: Arthur Kim - Kim.A2@PortSeattle.org.

LEVELS OF COMPETITION

In high school meeting rooms, community theatres, libraries, and even plant auditoriums, students across the country start giving their speeches in early fall. Their goal remains the same, write a first-class speech and then begin to present it to various audiences, eventually working one’s way to the top, with a chance at that $2,000 top prize. Along the way, they receive advice, counsel, and encouragement from parents, teachers, friends, and business leaders.
