## New Artists coming to SEA in 2024

As the first airport in the country to have a public art program, Seattle-Tacoma International Airport (SEA) has long been committed to providing access to museum-caliber contemporary works from local, national, and internationally renowned artists. And with more airport building projects and improvements underway with **Upgrade SEA**, this means more opportunities to expand the Port's public art collection. Here's a peek at eight new artists adding new life to SEA's collection this year.
