

Employee Parking Customers

Effective

February 1, 2025

The Employee Parking rates will change to

\$100.00 /month

The new rate applies to all parking lot locations

The Rider Pass (R-Pass) rate will change to \$25.00 /month effective February 1, 2025

The Employee Parking Program is dedicated to providing parking for all tenant employees. To cover our operating expenses, as well as the capital costs associated with the bus maintenance facility, the CNG fueling station, NEPL improvements, and the employee parking lot expansions, we need to increase the monthly rate.

We recognize that rate increases can be inconvenient, but we are committed to delivering the best customer service possible to you, our valued customers.
