Ha recibido esta carta porque reside en una casa que anteriormente ha recibido para reducir la exposición al ruido de las operaciones de los aviones usando el Puerto (SEA Airport). El puerto de Seattle ha patrocinado el Programa residencial de residencias desde 1985. Su hogar está situado dentro de un límite acústico actual que llenen una encuesta para ayudarnos a comprender el estado actual de sus previamente instalados.

El Puerto de Seattle está al tanto de las preocupaciones de los miembros de la comunidad sobre el aislamiento acústico que se instalaron hace décadas. El 27 de febrero, el Puerto de Seattle emitió la Orden 2024-04 para estudiar dichas preocupaciones; nos complace desarrollar una encuesta para comprender la condición actual de los tratamientos de aislamiento acústico instalados anteriormente y su funcionamiento. La encuesta ayudará al Puerto de Seattle a comprender si estos tratamientos siguen siendo efectivos y si es necesario realizar cambios o reparaciones. Sus respuestas no se utilizarán para ninguno otro propósito que no sea la divulgación pública. También es importante saber que la participación en la encuesta ni mantenimiento en su hogar.

Para completar la encuesta visite bit.ly/soundsurvey2024 o escanee el código QR que aparece en la parte superior de esta carta. Su código de acceso es el mismo que recibió esta carta y solo se puede utilizar una vez. Tardará entre 5 y 15 minutos en línea a la encuesta, póngase en contacto con la oficina de Programas acústicos del Puerto de Seattle.

Responda a la encuesta antes del 28 de junio. Si necesita ayuda para llenar la encuesta, póngase en contacto con la oficina de Programas acústicos del Puerto de Seattle en SEARRepairReplacePilot@portseattle.org o (206) 787-5393.

Sound Insulation Survey

Please complete the survey in the pages that follow.

Use the pre-paid envelope included in this packet to return your complete survey
by August 9, 2024.

The Port of Seattle has developed the following survey to better understand the current condition of previously installed sound insulation treatments (such as windows and doors) in your home. The survey includes questions regarding items that may require repair, replacement, or maintenance recommendations.

We appreciate your time and thoughtful responses.

1. Do you own or rent the property at this address?

- Own
- Rent

2. How long have you lived at this address?

- Less than 1 year
- 1 to 2 years
- 3 to 5 years
- 6 to 10 years
- 11 to 20 years
- 21 to 30 years
- 31 to 40 years
- More than 40 years

3. Next, we have some questions about the windows in your house. This includes all windows in the habitable (living, sleeping, eating, or cooking) portions of your house. Please do not count windows in your garage.

How many windows are in your house?
