### Checking In at SEA | Checkpoint Update – Renumbering

Starting Thursday, April 17, 2025, at 4 a.m., all checkpoints will be renumbered 1-6 (formerly 1-5). The reason for this is to make way for a brand-new checkpoint opening soon that will be the new TSA Security Checkpoint 1 down on the Baggage Claim Level. This will mean that the current Checkpoint 1 that services TSA Precheck and CLEAR passengers on the far south end of the Ticketing Level will switch to Checkpoint 2, and then the numbers will continue up as you go north on the Ticketing Level.
