South King and Port Communities Fund Environmental Improvement Program	The South King and Port Communities Fund Environmental Improvement Program (formerly the South King County Community Investment Fund Environmental Grants Program) builds off the successful past five years of the South King County Community Investment Fund (2019-2024) and the Airport Community Ecology (ACE) Fund Small Matching Grants Program (2017-2019) . The Port of Seattle invites community organizations, chambers of commerce, service organizations, community, youth, or athletic associations, or other similar associations to submit applications for public improvement projects within the funding area. The eligibility area now includes the cities of Renton, Kent, Renton, neighborhoods in the Duwamish Valley/Beacon Hill/South Seattle along with continued investments in the near-airport cities of SeaTac, Des Moines, Tukwila, Federal Way, Normandy Park, and Burien. Projects can be funded up to three years and with a project cap of \$20,000 per year. Applying organizations must have their 501(c)3 status. Fiscally sponsored organizations are accepted.
