AGREEMENT

This mutual agreement is made and entered into between the Port of Seattle, a municipal corporation of the State of Washington, and the International Association of Machinists and Aerospace Workers, AFL-CIO, District Lodge No. 160, Local Lodge No. 289. Wage rates shall be effective as indicated in Article 12. Other conditions shall be effective on the date the Agreement is signed or as specified in the provisions of the agreement. This Agreement is made for the purpose of reaching an equitable wage and working agreement between the parties hereto.

ARTICLE 1 - RECOGNITION, SCOPE AND HIRING

The Port recognizes the Union as the sole and exclusive bargaining agent with respect to wages, rates of pay, hours of work and other conditions of employment for the employees covered by this Agreement. The work to be performed by the Union shall be the various functions of maintenance of Port-owned vehicles, as assigned and in accordance with historical jurisdiction.

Insofar as permitted by law, the Port shall give the Union equal opportunity with all other sources to refer suitable applicants for employment. No applicant will be preferred or discriminated against by the Port because of membership or non-membership in the Union.

The following information will be given in writing by the Port to the Union within seven (7) calendar days from the date of hiring new employees: name and home address, date of hire, classification and rate of pay.

The Port agrees to deduct from the paycheck of each employee covered by this agreement who has so authorized it by signed notice submitted to the Port, the initiation fee, and monthly dues. The Port shall transmit such fees to the Union once each month on behalf of the members involved. If a dues error is identified the error will be addressed as soon as practicable following notice to the Port.

The Union agrees to indemnify and save the Port harmless against any liability which may arise by reason of any action taken by the Port to comply with the provisions of this Article. The Port will promptly notify the Union in writing of any claim, demand, suit or other form of liability asserted against it relating to its implementation of this Article.

This Agreement shall apply to and cover employees as defined herein.

A full-time employee is one who has been continuously on the payroll of the Port for a period of one hundred and twenty (120) calendar days. A probationary employee is one who has not been continuously on the payroll of the Port for a period of one hundred and twenty (120) calendar days.

All terms and conditions of this Agreement are applicable to such full-time and probationary employees except as specifically hereinafter exempted for probationary

employees.

It is agreed and understood in the hiring of employees under this Agreement either operation (Seaport or Airport) may hire directly from the outside if in management's judgment it is in the best interest of the operations. In which case, the Union will be given an equal opportunity to furnish applicants.

The Union recognizes the prerogatives of the Port of Seattle to operate and manage its affairs in all respects in accordance with its responsibilities and powers of authority, subject to the terms and conditions of this Agreement.

ARTICLE 2 - DISCHARGE OF EMPLOYEES

The Port reserves the right to discharge any employee for just cause. The Port shall have the right to suspend any employee for just cause not exceeding a maximum of two (2) weeks. The Union shall be notified in writing of any discharge or suspension within 24 hours thereof.

In the event of dispute as to whether or not "justifiable cause" existed, such dispute may be processed through the grievance procedure contained in this Agreement.

Probationary employees may be terminated at any time during the probationary period at the discretion of the Port, without recourse to the grievance procedure.

ARTICLE 3 - SHOP STEWARDS

The Union shall inform the Port in writing of its selection of authorized Shop Stewards, and the Port agrees to recognize Stewards so designated.

Shop Stewards shall be allowed such reasonable time as is necessary to investigate and process grievances in the shop arising under the terms of this Agreement.

ARTICLE 4 - SENIORITY

There shall be one seniority list for the bargaining unit employees. Seniority shall prevail in the reduction and restoration of forces, provided the senior employee is capable of performing work remaining in the shops. There shall be a distinct and separate seniority list by shop (Marine Maintenance, Aviation Fleet Maintenance and Aviation Bus Maintenance) in the selection of vacation assignments. Seniority shall prevail in the selection of shift assignments when openings occur provided the employee is capable of performing the work.

In the event of a reduction in force, management may reassign employees between the Airport and the Seaport without regard to seniority provided that volunteers get first consideration.

Seniority for permanent positions shall date from day of hire, but no seniority rights shall

accrue therefrom until after a probationary period of one hundred and twenty (120) calendar days. At the end of the probationary period, the employee shall be classified as a full-time employee.

Individuals employed as emergency hires, who are subsequently hired on a permanent basis, shall have their seniority dates adjusted by the time worked during the previous one hundred eighty (180) calendar days.

The total calendar day time period, including weekends, shall be used to compute the adjusted seniority date for an individual who was originally employed as an emergency hire.

However, in the event the Port retains an emergency hire after one hundred and twenty (120) calendar days of continuous employment, such an employee shall be on permanent status. Normal practice shall be to post vacancies for permanent status positions. The Port may not employ an emergency hire for more than two (2) one hundred and twenty (120) day periods (excluding apprentices).

Except for a reduction in force condition, the Port shall give consideration to the employee's seniority in matters of interdepartmental transfer assignments and job opportunities, and Port management shall make the determination at its discretion.

An employee shall lose seniority rights for any of the following reasons:

- (a) termination for just cause,
- (b) on layoff status for more than six (6) months, or
- (c) when an employee does not return to the bargaining unit within six (6) months after accepting a non-bargaining unit position with the Port, they shall lose seniority.

ARTICLE 5 - PAYMENT OF WAGES

The Port will maintain a regular payday. If such regular payday falls on a Saturday, Sunday, or holiday, the employee shall be paid not later than the last regular workday preceding the regular payday. All employees covered by this Agreement shall be paid biweekly. The Port may deviate from this provision with prior approval of the Union.

ARTICLE 6 - SAFETY AND SANITARY CONDITIONS

The Port shall comply with State Safety and Sanitation Laws, where applicable, and shall maintain safe and sanitary conditions in its maintenance shop operations.

Adequate dressing rooms and washing facilities shall be furnished by the Port. All toilets, lunchrooms, and working areas shall be kept in a clean and sanitary condition, properly lighted, heated and ventilated; soap, hot water, and towels shall be furnished. Employees shall cooperate with management in the maintenance of a generally well-kept shop, in the proper use of sanitary facilities, and shall wear and properly use all protective equipment provided by the Port.

The Port shall furnish all safety equipment as required except for safety shoes. Safety glasses shall be reimbursed consistent with Port policy. The Port shall replace rain gear that is accidentally damaged.

Safety Shoes: The Department of Labor and Industries (WAC 296-800-16060, previously WAC 296-24-088[1]) requires workers to wear appropriate foot protection in areas where there is a possibility of foot injury due to falling or rolling objects, piercing/cutting injuries or electrical hazards. In order to comply with this regulation, appropriate foot protection must meet the specifications of the American National Standard Institute (ANSI) for Protective Footwear, Z41-1999 - American National Standard for Personal Protection.

In order to assist with the purchase of the appropriate footwear, effective upon ratification of the agreement, the Port shall provide regular employees with the following stipends paid on the first pay period in July for the purchase price or repair of the ANSI approved footwear for the duration of the agreement:

2021	\$175
2022	\$190
2023	\$195
2024	\$200

All injuries no matter how slight must be reported by the employee to the Foreman/ or Manager and Shop Steward on the day the injury occurs.

In the event of an industrial accident of such nature that does not require an employee to discontinue work but does necessitate further treatment by a doctor at various intervals, the employee will make every effort to schedule such appointments outside of their regular working hours. In the event that the employee is unable to arrange such appointments outside the employee's regular working hours, the employee shall be compensated at their regular shift rate of pay for all time required for treatments during employee's regular working hours.

Any employee suffering an industrial accident shall be entitled to a full day's pay for the

day on which the accident occurs, provided it shall be medically certified by a physician as a disabling accident.

Holiday and/or vacation pay shall not be provided as a duplication of compensation received by an employee on compensated time loss for an industrial injury.

ARTICLE 7 - VISIT TO THE ESTABLISHMENT

Business representatives of the Union, party to this Agreement, shall have access over the area in which any job is located by first making their presence known to management during working hours for the purpose of enforcing the terms of this Agreement.

ARTICLE 8 - GRIEVANCE PROCEDURE

For the purpose of this Agreement, the term "grievance" means any dispute between the Port and the Union; or between the Port and any employee concerning the effect, interpretation, application, claim of breach, or violation of this Agreement; or any dispute that may arise between the parties. All grievances not mentioned within fifteen (15) days after they occur, or first knowledge that a grievance exists, shall be considered as outdated, thus preventing an accumulation of grievances.

All grievances shall be reduced to writing and shall contain a statement of the relevant facts, the specific section(s) of the Agreement allegedly violated and remedy sought and then processed in accordance with the following grievance procedure:

Step 1: The dispute or grievance shall be taken up by the Shop Steward, the aggrieved employee, and the Foreman of the department involved. The Foreman must give his answer within five (5) days.

Step 2: In the event no settlement is reached within the five (5) day period, the employee or the employee's representative shall then, within fifteen (15) days, bring said grievance to the attention of Manager or designee. The manager or designee shall make every effort to resolve the alleged grievance within fifteen (15) days after submission.

Step 3: In the event no settlement is reached within the fifteen (15) day period, the Union shall provide a copy of the written grievance to the Port's Director of Labor Relations or the Director's designee. Representatives of the Union and the Port shall then meet to attempt settlement of the grievance.

Mediation. In the event no settlement is reached by the Union and the Port within thirty (30) days of the Step 3 meeting, upon mutual agreement, the Port and the Union may agree to submit the grievance to a mediator appointed by the Public Employment Relations Commission, or another mutually agreed upon mediator for mediation. If mediation fails to resolve the issue(s), or if both parties do not agree to submit the grievance to mediation, then the matter may be referred to arbitration by the grieving party. Nothing said or done by the parties or the mediator during the grievance mediation

can be used in the arbitration proceeding.

Any of the above steps may be by-passed by mutual agreement of the parties.

Step 4. In the event no settlement is reached by the Union and the Port, within thirty (30) days of the Step 3 meeting or the mediation session, either party shall have the right to submit a demand for arbitration. Within seven (7) days after the demand for arbitration, the Union and the Port shall mutually agree upon an arbitrator. If the parties fail to agree, the grieving party shall, within seven (7) days, request a list of seven (7) qualified neutrals from the Federal Mediation and Conciliation Service (FMCS). Within seven (7) days after receipt of the list, the Union and the Port shall alternately strike the names on the list, and the remaining name shall be the arbitrator. The arbitrator shall not have the power to add to, subtract from, or modify the provisions of this Agreement in arriving at a decision of the issue or issues presented; and shall confine their decision solely to the interpretation, application, or enforcement of this Agreement. The arbitrator shall be confined to the precise issue submitted for arbitration and shall have no authority to determine any other issues not so submitted. The decision of the arbitrator shall be final and binding upon the aggrieved employee, Union, and the Port.

The Port and the Union shall share equally the fees and expenses of the arbitrator. Each party shall bear its own costs of arbitration, including but not limited, to attorneys fees and costs.

The grievance procedure and arbitration provided herein shall constitute the sole and exclusive method of determination, decision, adjustment, or settlement between the parties of any and all grievances as herein defined; and the grievance procedure and arbitration provided herein shall constitute the sole and exclusive remedy to be utilized by the parties hereto for such determination, decision, adjustment, or settlement of any and all grievances as herein defined.

It is the intent of both parties to resolve grievances at the lowest level possible.

Any time specified herein shall not include any time on any Saturday, Sunday, or holiday. Time limits may be extended by mutual agreement.

ARTICLE 9 - SEPARABILITY AND SAVINGS CLAUSE

If any Article or Section of this Agreement should be held invalid by operation of law or by any tribunal of competent jurisdiction or if compliance with or enforcement of any Article or Section should be restrained by such tribunal pending a final determination as to its validity, the remainder of this Agreement, or the application of such Article or Section to persons or circumstances other than those as to which it has been held invalid or as to which compliance with or enforcement of has been restrained, shall not be affected thereby.

Should any Article or Section of this Agreement be held invalid or be restrained as

provided herein, the parties shall immediately meet and negotiate valid alternate and/or substitute provisions to replace and/or modify those provisions so affected.

In any event, individuals directly employed by the Port who are not members of the bargaining unit shall be prohibited from performing said work.

The Port will cooperate with the Union to protect prevailing wage rates whenever in the conduct of its business the Port requires work to be done by contract. This condition shall apply when such work is performed both on and off Port operated facilities.

Notwithstanding (a), (b) and (c), this Article does not prohibit the Port from leasing equipment/facilities which may be maintained by the employer to whom the equipment/facilities are leased.

Such employees shall be enrolled in the following benefit plan currently provided by the Machinists Health & Welfare Trust Fund:

Machinists H&W Plan 10
Vision Service Plan 1
Preventive Coverage

Employees shall pay \$100 per month cost share of health and welfare cost.

Effective July 1, 2024, the Machinists H&W Plan 10 will be deleted from this Agreement and replaced with Machinists H&W Plan 14. The parties agree to begin working together as soon as practicable, but not later than ninety (90) days prior to the effective date, to facilitate a successful transition.

If the benefits provided by the Machinists Health and Welfare Trust become subject to an excise tax or other penalty, the parties agree to meet and discuss the impact.

All payments to the Machinists Health and Welfare Trust Fund shall be paid on or before the 15th day of the month following the month of employment.

The Employer acknowledges receipt of and agrees to be bound by the Agreement and Declaration of Trust, and any amendments thereto, covering the Machinists Health and Welfare Trust Fund, and the Employer ratifies any action taken by the Board of Trustees. The Health and Welfare Trust Fund shall always be maintained as a tax- exempt joint labor-management Trust Fund and administered in accordance with its Agreement and Declaration of Trust and all applicable laws. The Employer accepts, as its representatives, the Employer Trustees serving on the Board of Trustees of the Health and Welfare Trust Fund and their duly appointed successors. Each Employer agrees to abide by all rules and regulations as may be established by the Board of Trustees pertaining to participation in the Health and Welfare Trust Fund.

The Employer will continue to pay contributions for a regular employee who is off work due to an industrial-injury for a maximum of six (6) months beyond the point in time which the employee no longer qualifies under the above criteria for Employer provided Health & Welfare benefits.

Notwithstanding the forgoing provisions, if any employee should be disentitled to any benefits under the Health and Welfare Plan by reason of the Employer's delinquency in the payment of contributions, the Employer shall be liable to such employee in a civil

action for the full amount of the benefits which the employee lost, together with reasonable attorney's fees and costs. Acceptance or collection of delinquent contributions by the Board of Trustees shall not absolve the Employer of this liability.

Life Insurance:

On the first of the month following the date of hire, eligible employees and their eligible dependents shall receive life insurance benefits in the amount of two (2) times their annual base rate and their eligible dependents shall receive life insurance benefits in such amounts and in such manner as are provided in contracts with insurance companies or agencies selected by the Port to provide such benefits.
