

**TEN MONTH EXTENSION OF THE PROJECT LABOR AGREEMENT
for FAA-Funded Covered Projects
between
The Port of Seattle
and
Seattle/King County Building and Construction Trades Council
Northwest Construction Alliance II**

Port of Seattle (“Port”), its successors or assigns and the Seattle Building Trades and Northwest Construction Alliance II, hereinafter collectively called the “Union or Unions,” with respect to the FAA-Funded Covered Projects Project Labor Agreement effective August 16, 2021, through December 31, 2023, (“FAA PLA”). The parties hereby agree to extend the FAA PLA by ten (10) months, through October 31, 2024.

All provisions of the FAA PLA shall remain in force during the period of agreed-upon extension through October 31, 2024, with the following exceptions:

- Northwest Construction Alliance II name change to Western States Regional Council Carpenters
- Small Contractor and Supplier (SCS) program name change to Minority, Women and Disadvantaged Business Enterprises (MWDBE) program

IN WITNESS WHEREOF, the parties hereto have duly accepted and executed this Agreement on the ____ day of November, 2023.
