

# **SEA Ground Transportation & Parking Garage**

## **Accessible Travel**

### (P) Parking

ADA-designated parking spaces are available for General Parking on Levels 1 and 5 and on the Level 4 floor for Reserved Parking.

### (A) Accessible Taxi Services

Accessible Taxi Services can be requested by contacting SP Plus Taxi Service at (206) 708-6504. Passengers needing mobility assistance can request curbside pick-up on the Baggage Claim level by Skybridge 2 near Door 10 and near Skybridge 5 near Door 22. Tell your taxi provider that you require mobility assistance to have them meet you by one of these locations.

#### (🔊) App-Based Rideshares

App-based Rideshares can pick up passengers who need additional assistance at the curb instead of the rideshare area in the garage. When requesting pick up from Uber or Lyft, tell the driver that being picked up on the drives is needed. The Ground Transportation team must be informed by phone at (206) 787-5906 with the driver's name and license plate number.

# 🗒 Link Light Rail

The Train-to-Plane shuttle is a free cart service to transport travelers between the airport Link Light Rail station and the SEA Airport terminal. Travelers can take the elevator or escalator from the Link Light Rail Station platform to the garage Level 4. Shuttles load near the entrance to the skybridge and operate daily between 5:00 a.m. and midniaht.

#### Off-Site Shuttles

Accommodation arrangements should be made through Hotel, Motel, or Off-Site Parking companies. Get more information on accessible travel at https://bit.ly/ADASEA.
