Procurement Title	Description	Department	Category	Estimate	Project Mgr	Port Contact	Port Contact Email	Advertisement Date
	The Port of Seattle (Port) is soliciting proposals for Electrical Meters. Award will be made to the Proposer offering the best value to the Port in accordance with the terms and conditions of the solicitation. The purpose of this RFP is to establish standard products for use in current and future Port of Seattle projects. The Port may select up to two manufacturers whose products offer the best overall value. Selection of a manufacturer's products does not guarantee or imply any commitment to purchase from that manufacturer. At its sole discretion, the Port may solicit quotes for products designated as standard. These standards will remain in effect for ten (10) years or until a new standard is established.
