Accessible Travel

Parking

ADA-designated parking spaces are available for General Parking on Level 5 and on the Level 4 floor for Reserved Parking. Accessible and electric vehicle parking spaces in the SEA garage are available on a first-come first-serve basis in both General Parking and Reserve Parking. Reserved Parking is by reservation only and must be reserved online in advance of arrival (no drive-up parking allowed). A reservation does not guarantee that an EV or ADA stall will be available upon arrival.

Accessible Taxi Services

Accessible Taxi Services can be requested by contacting SP Plus Taxi Service at (206) 708-6504. Passengers needing mobility assistance can request curbside pick-up on the Baggage Claim level by Skybridge 2 near Door 10 and near Skybridge 5 near Door 22. Tell your taxi provider that you require mobility assistance to have them meet you by one of these locations.

App-Based Rideshares

App-based Rideshares can pick up passengers who need additional assistance at the curb instead of the rideshare area in the garage. When requesting pick up from Uber or Lyft, tell the driver that being picked up on the drives is needed. The Ground Transportation team must be informed by phone at (206) 787-5906 with the driver's name and license plate number.

Link Light Rail

The Train-to-Plane shuttle is a free cart service to transport travelers between the airport Link Light Rail station and the SEA Airport terminal. Travelers can take the elevator or escalator from the Link Light Rail Station platform to the garage Level 4. Shuttles load near the entrance to Skybridges 5 and 6 and operate daily between 5:00 a.m. and midnight.

Off-Site Shuttles

Accommodation arrangements should be made through Hotel, Motel, or Off-Site Parking companies. Get more information on accessible travel at <https://bit.ly/ADASEA>.
