

The Port of Seattle Veterans Fellowship Program offers recently separated or retired veterans with civilian work experience through on-the-job training lasting six months. It is a paid fellowship designed to give veterans exposure, experience, knowledge, and the skillsets necessary to successfully integrate into the civilian workforce and be a competitive applicant in the civilian job market.

In addition, Veterans receive individualized assistance through:

- Exposure to the civilian work environment and to corporate business practices
- Identification of transferable skills
- Resume writing guidance and interviewing practice
- Networking opportunities

Eligibility Criteria:

- Minimum of three years of active duty or mobilized reserve duty service
- Documentation of honorable discharge
- Must be within two years of discharge, unless enrolled full-time in a degree or certificate program and have not been employed full-time since discharge.
