PROJECTS BY CITY

Economic Opportunities for Communities (EOC)

Purpose Statement:

To increase access and visibility of jobs and careers to communities in South King County through community-led career-prep and readiness programs in **Port-related industries (maritime, aviation, construction trades and green jobs)**

Equity Centered

Focused on communities living or working in the low-equity regions surrounding Seattle-Tacoma International Airport (SEA)

Career-Prep and Readiness

Programs providing awareness, exploration, preparation and training opportunities

Community-Led

Contracting directly with community-based organizations with demonstrated experience and trust within communities

Port-Related Industries

Jobs and careers specific in Aviation, Construction Trades, Green Jobs and Maritime (RCW 53.08.245)

HOW IT WORKS

ANNUAL FUNDING OPPORTUNITY

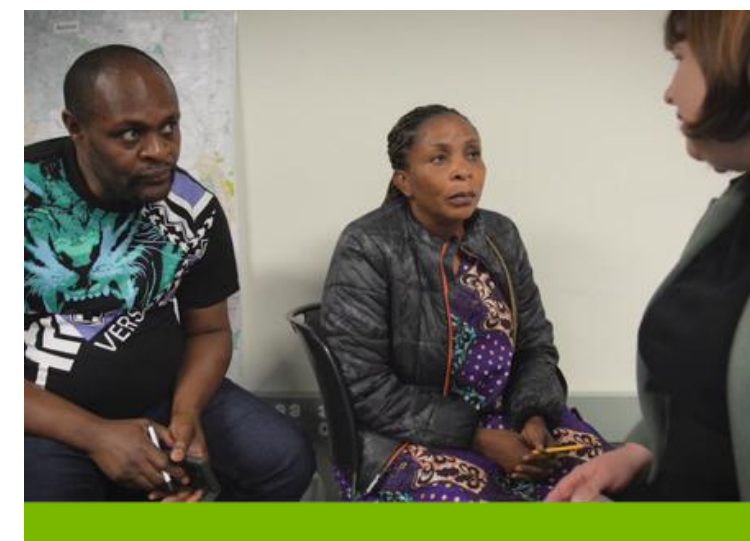

Competitive application

Select one of the options:

- 1-YEAR | Up to \$125,000
- 2-3 YEARS | Up to \$275,000

Community Evaluators and Community Liaisons are key roles in the outreach and selection process.

2025 CYCLE AT A GLANCE

\$1.8M

Port investment into the community for workforce development

55
