ISSUANCE, CONDITIONS AND TERMS OF BONDS

Section 2.01. Plan of Finance; Parity Conditions Met.

(a) *Plan of Finance.* The Port intends to undertake improvements to its facilities at the locations described on Exhibit A (the “Projects”) attached hereto and incorporated by this reference herein. A portion of the costs of the Projects are expected to be paid, refinanced or reimbursed with the proceeds of the Bonds

(b) *Parity Conditions.* On or prior to the Closing Date, the Port shall confirm compliance with the conditions set forth in Section 4(b) of the Subordinate Lien Master Resolution for the issuance of the Bonds as Subordinate Lien Parity Bonds pursuant to this Series Resolution:

(1) On the Closing Date, there shall not be then existing and continuing a Default under the Subordinate Lien Master Resolution; provided, however, that Future Subordinate Lien Parity Bonds may be issued for refunding purposes under Section 4(c) of the Subordinate Lien Master Resolution if the Default will be cured as a result of the refunding.

(2) On the Closing Date, the conditions set forth in Section 4(b)(3)(A) or (B) shall have been satisfied.

The Bonds shall be obligations only of the Subordinate Lien Bond Fund created under the Subordinate Lien Master Resolution and shall be payable and secured as Subordinate Lien Parity Bonds as provided in the Subordinate Lien Master Resolution and this Series Resolution. The Bonds do not constitute an indebtedness of the Port within the meaning of the constitutional provisions and limitations of the State of Washington.

Section 2.02. Authorization and Description of Bonds

(a) *Authorization.* The Port shall issue the Bonds for the purpose of financing or refinancing costs of the Project (including without limitation paying commercial paper issued to finance such costs) and paying costs of issuance of the Bonds. The aggregate principal amount of the Bonds to be issued under this Series Resolution shall not exceed \$400,000,000.

(b) *Description.* Except as otherwise provided in a Sale Document, each Series of the Bonds shall be designated “Port of Seattle Subordinate Lien Revenue Bonds,” with an applicable year and Series designation. The Bonds shall be fully registered as to both principal and interest; shall be numbered separately in such manner and with any additional designation as the Registrar deems necessary for purposes of identification; and shall be in the denominations, dated the date and mature on the dates, in the years and in the amounts established as provided in Section 5.01 of this Series Resolution.

Except as otherwise provided in a Sale Document or Mode Agreement, each Series of Bonds shall bear interest, computed on the basis of a 360-day year of twelve 30-day months, from their dated date or from the most recent interest payment date to which interest has been paid or duly provided for, whichever is later, payable on interest payment dates and at the rate or rates established as provided in Section 5.01 of this Series Resolution and set forth in the Sale Document or Mode Agreement.

Section 2.03. Execution. The Bonds shall be executed on behalf of the Port by the manual or facsimile signatures of the President and Secretary of the Commission, and the official seal of the Port shall be reproduced thereon. The validity of any Bond so executed shall not be affected by the fact that one or more of the officers whose signatures appear on such Bond have ceased to hold office at the time of issuance or authentication or at any time thereafter.

Section 2.04. Authentication. No Bonds shall be valid for any purpose hereunder until the certificate of authentication printed thereon is duly executed by the manual signature of an authorized signatory of the Registrar. Such authentication shall be proof that the Registered Owner is entitled to the benefit of the trusts hereby created.

Section 2.05. Registration, Transfer and Exchange. Except as specified in the Sale Document, the provisions of this Section 2.05 shall apply to all Bonds issued pursuant to this Series Resolution.

(a) *Registrar/Bond Register.* The Bonds shall be issued only in registered form as to both principal and interest. The Port hereby appoints the fiscal agency of the State of Washington as the Registrar for the Bonds. The Port shall cause a bond register to be maintained by the Registrar. So long as any Bonds remain Outstanding, the Registrar shall make all necessary provisions to permit the exchange or registration of transfer of Bonds at its principal corporate trust office. The Registrar may be removed at any time at the option of the Treasurer of the Port upon prior notice to other Notice Parties and a successor Registrar appointed by the Treasurer of the Port. No resignation or removal of the Registrar shall be effective until a successor shall have been appointed and until the successor Registrar shall have accepted the duties of the Registrar hereunder, and the Credit Facility, if any, and Liquidity Facility, if any, shall have been transferred, together with all other funds then held by the Registrar, to the successor Registrar. The Registrar is authorized, on behalf of the Port, to authenticate and deliver Bonds transferred or exchanged in accordance with the provisions of such Bonds and this Series Resolution and to carry out all of the Registrar's powers and duties under this Series Resolution. The Registrar shall be responsible for its representations contained in the Certificate of Authentication on the Bonds.

The Registrar shall keep, or cause to be kept, at its principal corporate trust office, sufficient books for the registration and transfer of the Bonds which shall at all times be open to inspection by the Port (the “Bond Register”).

(b) *Letter of Representations/Book-Entry System.* To induce DTC to accept the Bonds as eligible for deposit at DTC, the Port has executed and delivered the Letter of Representations. The Bonds initially issued shall be held in fully immobilized form by DTC acting as depository pursuant to the terms and conditions set forth in the Letter of Representations.

(c) *Port and Registrar Not Responsible for DTC.* Neither the Port nor the Registrar will have any responsibility or obligation to DTC participants or the persons for whom they act as nominees with respect to the Bonds in respect of the accuracy of any records maintained by DTC or any DTC participant, the payment by DTC or any DTC participant of any amount in respect of the principal or redemption price of or interest on the Bonds, any notice which is permitted or required to be given to Registered Owners under this Series Resolution (except such notices as shall be required to be given by the Port to the Registrar or to DTC), the selection by DTC or any DTC participant of any person to receive payment in the event of a partial redemption of the Bonds or any consent given or other action taken by DTC as the Registered Owner.

(d) *DTC as Registered Owner.* Payment of any such Bond shall be made only as described in this section, but the transfer of such ownership may be registered as herein provided. All such payments made as described in this section shall be valid and shall satisfy and discharge the liability of the Port upon such Bond to the extent of the amount or amounts so paid. Except as specified in a Sale Document, the Port and the Registrar shall be entitled to treat the Securities Depository (as Registered Owner) as the absolute owner of all Bonds for all purposes of this Series Resolution and any applicable laws, notwithstanding any notice to the contrary received by the

Registrar or the Port. Neither the Port nor the Registrar will have any responsibility or obligation under this Series Resolution or the Bonds, legal or otherwise, to any other party including DTC or its successor (or substitute Securities Depository or its successor), except to the Registered Owners. Notwithstanding the foregoing, so long as the Credit Facility Issuer is not in default under the Credit Facility, the Credit Facility Issuer shall be deemed to be the owner and holder of all Bonds for the purpose of granting consents and exercising voting rights with respect thereto.

(e) *Use of DTC/Book-Entry System.*

(1) *Bonds Registered in the Name Designated by DTC.* The Bonds shall be registered initially in the name of “CEDE & Co.,” as nominee of DTC, (or such other name as may be requested by an authorized representative of DTC) with one Bond maturing on the Maturity Date in a denomination corresponding to the total principal therein designated to mature on such date. Registered ownership of such immobilized Bonds, or any portions thereof, may not thereafter be transferred except (A) to any successor of DTC or its nominee, *provided that* any such successor shall be qualified under any applicable laws to provide the service proposed to be provided by it; (B) to any substitute Securities Depository appointed by the Designated Port Representative pursuant to subsection (2) below or such substitute Securities Depository’s successor; or (C) to any person as provided in paragraph (4) below.

(2) *Substitute Depository.* Upon the resignation of DTC or its successor (or any substitute Securities Depository or its successor) from its functions as Securities Depository or a determination by the Designated Port Representative that it is no longer in the best interest of Beneficial Owners to continue the system of book entry transfers through DTC or its successor (or any substitute Securities Depository or its successor), the Designated Port Representative may

hereafter appoint a substitute Securities Depository. Any such substitute Securities Depository shall be qualified under any applicable laws to provide the services proposed to be provided by it.

(3) *Issuance of New Bonds to Successor/Substitute Depository.* In the case of any transfer pursuant to clause (A) or (B) of paragraph (e)(1) above, the Registrar shall, upon receipt of all Outstanding Bonds, together with a written request on behalf of the Designated Port Representative, issue a single new Bond for each maturity of a Series of such Bonds then Outstanding, registered in the name of such successor or such substitute Securities Depository, or their nominees, as the case may be, all as specified in such written request of the Designated Port Representative.

(4) *Termination of Book-Entry System.* In the event that (A) DTC or its successor (or substitute Securities Depository or its successor) resigns from its functions as Securities Depository, and no substitute Securities Depository can be obtained, or (B) to the extent permitted by law, the Designated Port Representative determines that it is in the best interest of the Beneficial Owners of the Bonds that they be able to obtain Bond certificates, the ownership of Bonds may then be transferred to any person or entity as herein provided, and the Bonds shall no longer be held in fully immobilized form. The Designated Port Representative shall deliver a written request to the Registrar, together with a supply of definitive Bonds, to issue Bonds as herein provided in any authorized denomination. Upon receipt of all then Outstanding Bonds by the Registrar together with a written request on behalf of the Designated Port Representative to the Registrar, new Bonds shall be issued in such authorized denominations and registered in the names of such persons as are requested in such written request.

(f) *Transfer or Exchange of Registered Ownership; Change in Denominations.* If the Bonds are no longer held in immobilized, book-entry form, the transfer of ownership of any Bond

may be registered and such Bonds may be exchanged, but no transfer of any Bond shall be valid unless it is surrendered to the Registrar with the assignment form appearing on such Bond duly executed by the Registered Owner or such Registered Owner's duly authorized agent in a manner satisfactory to the Registrar. Upon such surrender, the Registrar shall cancel the surrendered Bond and shall authenticate and deliver, without charge to the Registered Owner or transferee therefor, a new Bond (or Bonds at the option of the new Registered Owner) of the same date, Series designation, if any, maturity date and interest rate and for the same aggregate principal amount in any authorized denomination, naming as Registered Owner the person or persons listed as the assignee on the assignment form appearing on the surrendered Bond, in exchange for such surrendered and canceled Bond. Any Bond may be surrendered to the Registrar and exchanged, without charge, for an equal aggregate principal amount of Bonds of the same date, maturity date and interest rate, in any authorized denomination. Other than in connection with an optional or mandatory tender for purchase, the Registrar shall not be obligated to transfer or exchange any Bond during the five-day period prior to the selection of Bonds for redemption or the maturity date or following any mailing of notice of redemption. No charge shall be imposed upon Registered Owners in connection with any transfer or exchange, except for taxes or governmental charges related thereto.

(g) *Place and Medium of Payment.* Principal of and premium, if any, and interest on the Bonds are payable in lawful money of the United States of America. Principal of and premium, if any, and interest on each Bond registered in the name of the Securities Depository are payable in the manner set forth in the Letter of Representations. Unless otherwise specified in the Sale Document, interest on each Bond not registered in the name of the Securities Depository is payable by electronic transfer on the interest payment date, or by check or draft of the Registrar mailed on

the interest payment date to the Registered Owner at the address appearing on the Bond Register on the Record Date. The Port is not required to make electronic transfers except pursuant to a request by a Registered Owner in writing received on or prior to the Record Date and at the sole expense of the Registered Owner. Unless otherwise specified in the Sale Document, the principal of and premium, if any, on each Bond not registered in the name of the Securities Depository are payable upon presentation and surrender of the Bond by the Registered Owner to the Registrar at maturity or upon prior redemption in full.

Section 2.06. Destroyed, Lost or Stolen Bonds. If any Bond is lost, stolen or destroyed, the Port may execute and the Registrar may authenticate and deliver a new Bond or Bonds of like date and tenor to the Registered Owner thereof, all in accordance with law. However, no substitution or payment shall be made unless and until the applicant shall furnish (a) evidence satisfactory to said Registrar and Designated Port Representative of the destruction or loss of the original Bond and of the ownership thereof, and (b) such additional security, indemnity or evidence as may be required by the Designated Port Representative. No substitute Bond shall be furnished unless the applicant shall reimburse the Port and the Registrar for their respective expenses in the furnishing thereof. Any such substitute Bond so furnished shall be equally and proportionately entitled to the security of this Series Resolution with all other Bonds issued hereunder.

Section 2.07. Form of Bonds. The Bonds shall each be in substantially the form set forth at Exhibit B, with appropriate or necessary insertions, depending upon the omissions and variations as permitted or required hereby. If the Bonds are no longer held in fully-immobilized form, the form of Bonds will be changed to reflect the changes required in connection with the preparation of certificated Bonds.

Section 2.08. Defeasance. If money and/or Government Obligations maturing at such time(s) and bearing such interest to be earned thereon (without any reinvestment thereof) as will provide a series of payments which shall be sufficient together with any money initially deposited, to provide for the payment of the principal of, premium, if any, and interest (if the rate of interest is not fixed to the date of maturity, redemption or mandatory purchase, at the Maximum Rate) on all or a designated portion of the Bonds when due (whether at maturity or upon earlier redemption in accordance with their respective terms) or, if earlier, on the first date on which such Bonds must or could be tendered for purchase are set aside in a special fund (hereinafter called the “trust account”) to effect such payment and are pledged irrevocably in accordance with a refunding or defeasance plan adopted by the Port for the purpose of effecting such payment, then no further payments need be made in the Subordinate Lien Bond Fund for the payment of the principal of, interest or redemption premium on such Bonds, the Registered Owners thereof shall cease to be entitled to any lien, benefit or security of this Series Resolution, except the right to receive payment of the principal of, premium, if any, and interest on such Bonds when due in accordance with their respective terms from the money and the principal and interest proceeds on the Government Obligations set aside in the trust account, and such Bonds shall no longer be deemed to be Outstanding hereunder.

The Port shall provide notice of defeasance of Bonds to Registered Owners of Bonds being defeased to each Notice Party and to any other party entitled to receive notice, in accordance with the Continuing Disclosure Certificate.

ARTICLE III.

REDEMPTION OF BONDS

Section 3.01. Mandatory Redemption. The Port shall redeem any Term Bonds, if not redeemed under the optional redemption provisions set forth in the Sale Document or purchased under the provisions set forth herein, randomly, or in such other manner as set forth in the Sale Document or as the Registrar shall determine, at par plus accrued interest on the dates and in the years and principal amounts set forth in the Sale Document.

If the Port redeems Term Bonds under the optional redemption provisions set forth in the Sale Document or purchases for cancellation or defeases Term Bonds, the Term Bonds so redeemed, purchased or defeased, irrespective of their redemption or purchase prices, shall, unless otherwise provided in the Sale Document, be credited against one or more scheduled mandatory redemption amounts for those Term Bonds as determined by the Port.

Section 3.02. Optional Redemption. All or some of the Bonds of a Series may be subject to redemption prior to their stated maturity dates at the option of the Port at the times and on the terms set forth in the Sale Document.

Section 3.03. Selection of Bonds for Redemption. Whenever fewer than all the Outstanding Bonds are to be redeemed, the Bonds to be redeemed shall be selected in accordance with the operational arrangements of DTC referred to in the Letter of Representations. In the event the Bonds are no longer in book-entry only form, the Registrar shall select all other Bonds to be redeemed randomly, or in such other manner set forth in the Sale Document or as the Registrar shall determine. In no event shall any Bond be Outstanding in a principal amount that is not an authorized denomination.

Section 3.04. Notice of Redemption. For so long as the book entry-system is in effect, notice of redemption shall be provided in accordance with the operational arrangements of DTC referred to in the Letter of Representations and, except as provided in an applicable Continuing Disclosure Certificate, no additional published or other prior notice shall be required of the Port; *provided, however,* that the Credit Facility Issuer, if any, or Liquidity Facility Issuer, if any, shall also be given prior written notice of any proposed redemption of Bonds. In any event, notice of redemption shall be given by the Port to the Registrar who shall give notice to DTC at least 20 days prior to the proposed date of redemption, except as otherwise set forth in the Sale Document. Any optional redemption notice may be conditional and may permit rescission of the redemption notice prior to the proposed date of redemption.

Section 3.05. Effect of Redemption. If notice of redemption has been duly given and, in the case of an optional redemption, if money for the payment of the redemption price of the Bonds or portions thereof to be redeemed is held by the Registrar and if the notice of redemption has not been rescinded, then on the Redemption Date the Bonds or portions thereof so called for redemption shall become payable at the redemption price specified in such notice; and from and after the Redemption Date, interest thereon or on portions thereof so called for redemption shall cease to accrue, such Bonds or portions thereof shall cease to be Outstanding and to be entitled to any benefit, protection or security hereunder and the Owners of such Bonds or portions thereof shall have no rights in respect thereof except to receive payment of the redemption price upon delivery of such Bonds to the Registrar.

Section 3.06. Purchase of Bonds by Port. The Port reserves the right to purchase any of the Bonds offered to it by a Beneficial Owner or the Registered Owner at any time at any price acceptable to the Port. All Bonds so purchased will be retired.

ARTICLE IV.

USE OF PROCEEDS

Section 4.01. Use of Moneys in Subordinate Lien Bond Fund. Money in the Subordinate Lien Bond Fund shall be used solely for the payment of the principal of, premium, if any, and interest on, the Bonds (including Bank Bonds) as the same shall become due and payable at maturity, upon redemption or otherwise, and the lien of the Owners of Bonds on such moneys on deposit in the Subordinate Lien Bond Fund (other than moneys in a Purchase Account as provided in the Mode Agreement) shall be first and prior to the lien of any other person thereon.

Section 4.02. Enforcement of Rights. The Registered Owner of each of the Bonds or a trustee for the Registered Owners of any of the Bonds may by mandamus or other appropriate proceeding require the transfer and payment of money as directed in the Subordinate Lien Master Resolution and this Series Resolution.

Section 4.03. Use of Bond Proceeds. The proceeds of the Bonds (exclusive of any Underwriters' discount and any amounts that may be designated by the Designated Port Representative in a closing certificate to be allocated to pay costs of issuance) shall be applied as follows:

- (1) An amount, if any, specified by the Designated Port Representative shall be deposited into one or more capitalized interest accounts (hereinafter authorized to be created);
- (2) An amount specified by the Designated Port Representative shall be deposited into one or more capital project accounts and, together with other available moneys, to pay costs of the Projects, and/or applied to pay maturing commercial paper as directed by the Designated Port Representative.

If interest on the Bonds is to be capitalized, the Treasurer of the Port is hereby authorized and directed to create one or more capitalized interest accounts for the purpose of holding certain Bond proceeds and interest earnings thereon to be used and disbursed to pay interest on the Bonds through the date or dates specified by the Designated Port Representative.

The Treasurer shall invest the net proceeds of the Project Bonds in such Permitted Investments and that will mature prior to the date on which such money shall be needed. Earnings on such investments, except as may be required to pay rebatable arbitrage pursuant to the Federal Tax Certificate, may be used for Port purposes or transferred to the Subordinate Lien Bond Fund for the uses and purposes therein provided.

Section 4.04. Tax Covenants. The Port will take all actions necessary to assure the tax-advantaged status of the Tax-Advantaged Bonds, or the exclusion of interest on the Tax-Exempt Bonds from the gross income of the owners of the Tax-Exempt Bonds to the same extent as such interest is permitted to be excluded from gross income under the Code as in effect on the date of issuance of the Tax-Advantaged Bonds or Tax-Exempt Bonds, as applicable and as set forth in the Federal Tax Certificate, including but not limited to the following to the extent applicable:

(a) *Federal Guarantee Prohibition.* The Port will not take any action or permit or suffer any action to be taken if the result of such action would be to cause any of the Tax-Exempt Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

(b) *Rebate Requirement.* The Port will take any and all actions necessary to assure compliance with Section 148(f) of the Code, relating to the rebate of excess investment earnings, if any, to the federal government, to the extent that such section is applicable to the Tax-Exempt Bonds.

(c) *No Arbitrage.* The Port will not take, or permit or suffer to be taken, any action with respect to the proceeds of the Tax-Exempt Bonds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the date of issuance of the Tax-Exempt Bonds would have caused the Tax-Exempt Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code.

(d) *Registration Covenant.* The Port will maintain a system for recording the ownership of each Tax-Exempt Bond that complies with the provisions of Section 149 of the Code until all Tax-Exempt Bonds have been surrendered and canceled.

(e) *Record Retention.* The Port will retain its records of all accounting and monitoring it carries out with respect to the Tax-Exempt Bonds for at least three years after the Tax-Exempt Bonds mature or are redeemed (whichever is earlier); however, if the Tax-Exempt Bonds are redeemed and refunded, the Port will retain its records of accounting and monitoring at least three years after the earlier of the maturity or redemption of the obligations that refunded the Tax-Exempt Bonds.

(f) *Compliance with Tax Certificate.* The Port will comply with the provisions of the Tax Certificate with respect to the Tax-Exempt Bonds and Tax-Advantaged Bonds, which are incorporated herein as if fully set forth herein. In the event of any conflict between this Section and the Tax Certificate, the provisions of the Tax Certificate will prevail.

(g) *Governmental Bonds.* All or a portion of the Tax-Exempt Bonds may be issued as “Governmental Bonds” subject to the private use restrictions of Section 141 of the Code. The Port makes the following covenants with respect to the Governmental Bonds.

(1) The Port will assure that the Governmental Bond proceeds are not so used as to cause the Governmental Bonds to satisfy the private business tests of Section 141(b) of the Code or the private loan financing test of Section 141(c) of the Code.

(2) The Port will not sell or otherwise transfer or dispose of (i) any personal property components of the Project other than in the ordinary course of an established government program under Treasury Regulation § 1.141-2(d)(4) or (ii) any real property components of the Project, unless it has received an opinion of nationally recognized bond counsel to the effect that such disposition will not adversely affect the treatment of interest on the Tax-Exempt Bonds as excludable from gross income for federal income tax purposes.

(h) *Exempt Facility Bonds.* All or a portion of the Tax-Exempt Bonds may be issued as “Exempt Facility Bonds” or “AMT Bonds” meeting the requirements of Section 142 of the Code. The Port makes the following covenants with respect to the AMT Bonds.

(1) At least 95% of the net proceeds of the AMT Bonds will be expended to pay capital expenditures of an airport, dock or wharf owned by a governmental unit, including storage and training facilities and certain functionally related and subordinate facilities, all within the meaning of Section 142 of the Code.

(2) No net proceeds of the AMT Bonds will be used to finance the acquisition of any property (or an interest therein) unless (1) the first use of such property was pursuant to such acquisition or (2) the applicable rehabilitation exception contained in Section 147(d)(2) of the Code with respect to such property was met.

(3) Less than 25% of the net proceeds of the AMT Bonds will be used to refinance the acquisition of land unless such land was acquired for use or future use as an airport,

dock or wharf, and there is no other significant use of the land, pursuant to Section 147(c)(3) of the Code.

(4) No portion of the AMT Bond proceeds will be used to refinance any of the following: an airplane, a skybox or other private luxury box, a health club facility, a facility primarily used for gambling or a store the principal business of which is the sale of alcoholic beverages for consumption off premises.

(5) Not more than 2% of the AMT Bond proceeds will be used to pay costs of issuance.

Certain covenants of this section will survive payment in full or defeasance of the Tax-Exempt Bonds.

ARTICLE V.

(1) to issue requests for proposals for purchasers, Remarketing Agents, tender agents, paying agents, calculation agents, commercial paper dealers, Credit Facility Issuers, or Liquidity Facility Issuers, and to execute and deliver agreements based on responses received to such requests, including: the Mode Agreement and amendments to, extensions, replacements and terminations thereof, any continuing covenant or purchase agreements, commercial paper dealer agreements, Remarketing Agent Agreements, tender agent agreements, paying agent agreements, calculation agent agreements, Credit Facilities and amendments to, extensions, replacements and terminations thereof, Liquidity Facilities and amendments to, extensions, replacements and terminations thereof, reimbursement agreements, and other agreements evidencing the Port's

amendatory resolution approving a bond purchase agreement or direct purchase agreement or establishing terms and conditions for the authority delegated under this section.

Section 5.02. Approval of Official Statement.
