

Finding Your Way!

- The SeaTac/Airport Link Light Rail station is at the far north end of the main terminal. The Airport Office Building (AOB) lobby and Conference Center at SEA are at the far south end of the main terminal. Plan for a 5-10 minute walk to reach the AOB.

- Exit the light rail station toward the main terminal.
- Use any skybridge from the parking garage to enter the main terminal (skybridge 1 is the closest to the AOB).
- Take the escalator or elevator to the Ticketing Level.

- The closest stairs and elevators to the Mezzanine level, where the Conference Center and AOB lobby are located, are immediately to the right of Security Checkpoint 2.
- The entrance to the Conference Center/AOB lobby will be to your left. Use the intercom to request entry from front desk staff.
