

Committee Report

For the 10/13/2026 Commission Meeting

Highline Forum

- Commissioner Mohamed chaired the Highline Forum on September 23, 2026. Members received an update on the Sustainable Airport Master Plan Near-Term Projects State Environmental Protection Act Draft Environmental Impact Statement (EIS). The public comment period closed on August 20, 2026, with 490 unique comments submitted. Responses will be included in the Final EIS anticipated toward the end of 2026.
- Members of the Highline Forum also received an update on Part 150 Noise and Land Use Compatibility Study. The FAA approved the Noise Exposure Maps, and the draft Noise Compatibility Plan will be presented at public workshops on October 17 in Burien; October 19 in SeaTac; and October 20 in Des Moines.
- Executive Director Heather Worthley, with PortJobs, highlighted expanded services with recent growth in PortJobs' customer base such as language access, childcare navigation, and SEA Moves.
- Port staff provided the StART update, and advised that potential changes identified during the summer will be discussed further at the next StART meeting in October.
- During the roundtable sharing, jurisdictions shared updates on their 2027–28 biennial budget processes, tax and bond measures, capital projects, and environmental code work.

Aviation Committee

- Commissioners Cho and Mohamed convened the Aviation Committee meeting on September 29, 2026. The Committee was briefed on the Aviation 2027 proposed operating and capital budgets, and strategic priorities.
- The Committee then discussed the Aviation Dining and Retail (ADR) program and questions raised during the September 22, 2026, Commission meeting.
