SEATTLE-TACOMA INTERNATIONAL AIRPORT

August 2022

WELCOME!

Ground Transportation at Sea-Tac Airport has three major components: Airport customers, Ground Transportation Operators, and Airport employees.

For a majority of the Airport's customers, their first and last impression of the Northwest may be formed by their experience with the Airport Ground Transportation services.

Each Ground Transportation operator should offer the highest level of customer service while acting in a courteous and professional manner. Together we will continue to function as one of the best Ground Transportation operation in the country.

For the first time in the country, the Port of Seattle, whom operates SeaTac Airport, will work directly with taxi owners became effective October 1, 2019. No longer the Port of Seattle will have one contract agreement with an association but works directly with 409 OnDemand Taxi owners. This two-year pilot program was approved during the May 2019 Commissioner meeting.

THE PORT OF SEATTLE GROUND TRANSPORTATION TEAM

The purpose of the Ground Transportation Department at Seattle-Tacoma International Airport is to promote high quality, safe and convenient ground transportation services for the traveling public.

Through our combined customer service efforts with taxi operators, we will ensure that we offer a high quality product that is in accordance with the rules and regulations imposed by the Washington State Department of Licensing, Washington Utilities and Transportation Commission, City of Seattle, King County, and the Port of Seattle Airport Operations Department.

LOCATION

The Ground Transportation Booth is located on the 3rd Floor of the Seattle-Tacoma International Airport parking garage.

Ground Transportation Staff are available to answer your questions seven days per week between the hours of 05:00 am – 02:00 am.

<https://hosting.portseattle.org/taxi/#/Driver>

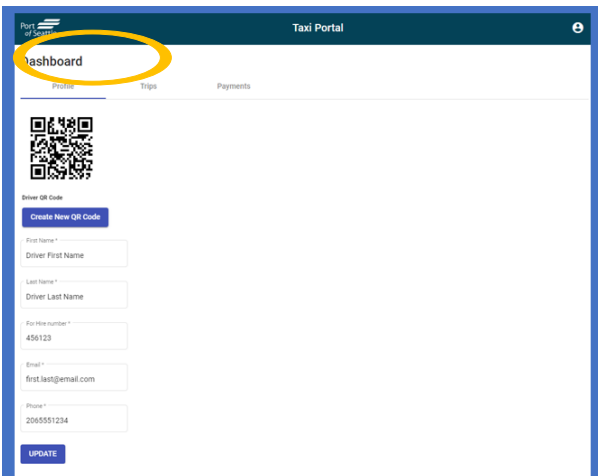

The Taxi Driver Portal is set up for owners and/or drivers to view the taxi profile, create QR code, trip review and enter payment credit card.

Driver Portal Login. Owner must register in the 'Registration Page'. Be sure to remember the email address, password and display name for the Port will not have access to this information.

Once you are successfully login in your will see the Dashboard with the three following options:

PROFILE:

Owner must create a QR Code. Enter require information and click 'update' and you will receive a **Driver QR Code**.

Profile user can update their first, last name, For-Hire number, email and phone number. Also, includes the driver's QR Code.

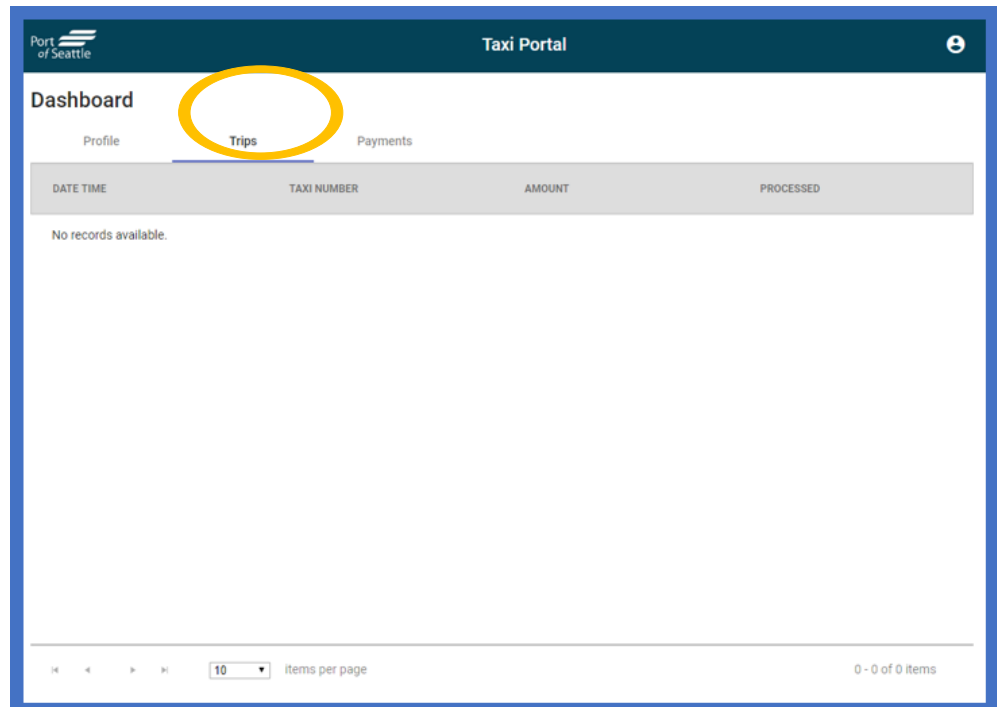

QR Code is required in order to operate as a OnDemand Taxi. If lost, or need replaced, 'click' Create New QR Code.

TRIPS:

View trips will provide owner/driver to review each trip that is made by the QR Code.

When a driver is charged the trip fee when picking up a customer, the portal will display this information. Date, time, taxi number, amount and if processed as successful or failed.

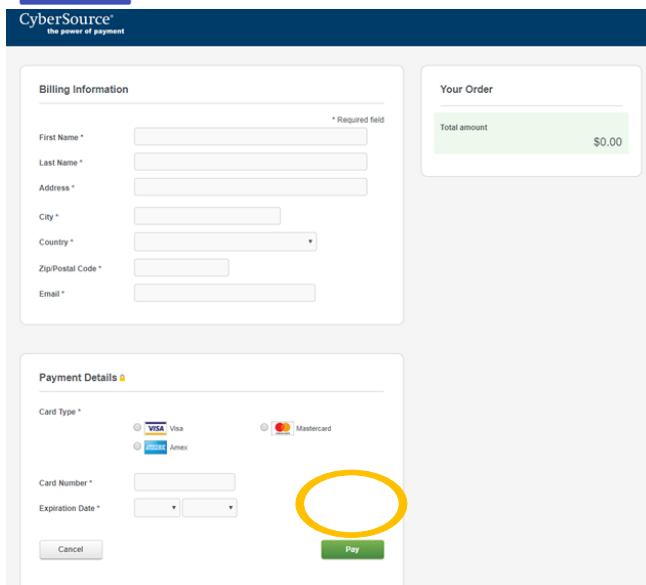

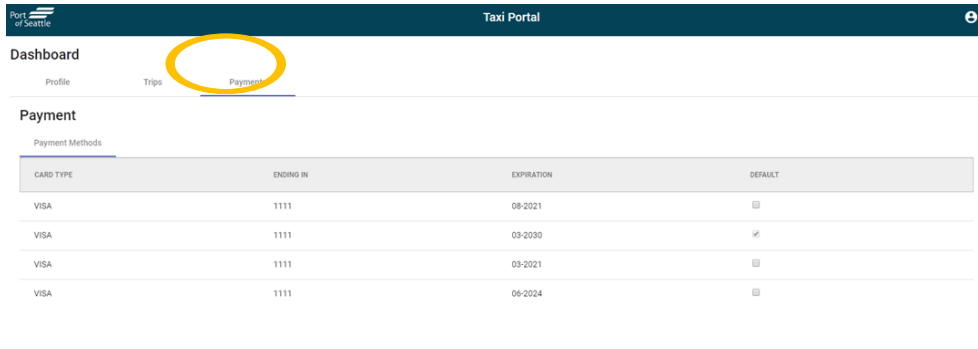

This information will help with the assistance if questions/concerns regards to trip charges.

If reviewing on cell phone, be sure to scroll over to the far right of the screen to view the full page.

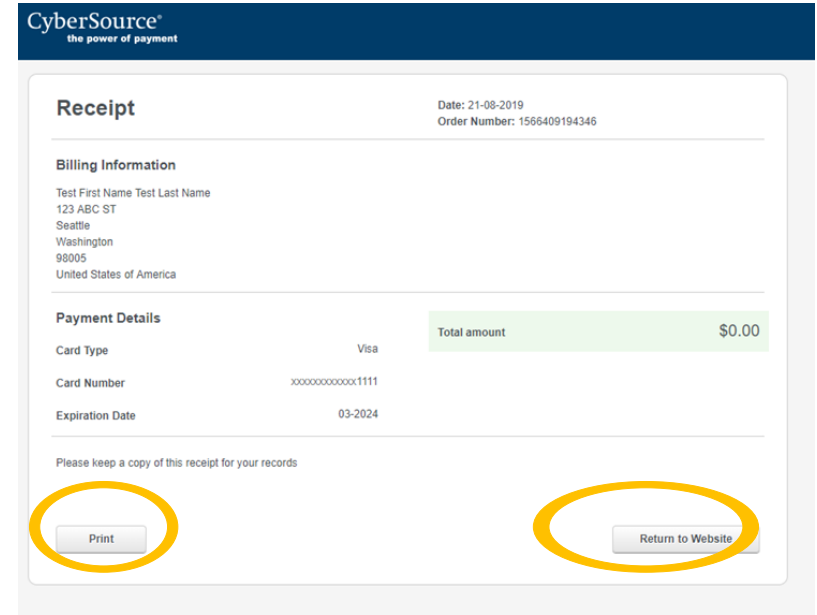

PAYMENTS: Enter one or multiple credit cards. You **MUST** 'check' default (scroll far right if viewing on cell phone) for credit card to be successfully entered to be used for pick-up. Double-check to confirm credit card is entered correctly along with expiration date.

- -Log into your account
- -Click 'Payments'
- -Click 'Add Payment Method'
- Complete billing information (make sure all your information matches what your bank has on file).
- Once you have filled in all the boxes, press 'Pay'.
- Remember, you're not being charged for anything when you click 'Pay'.

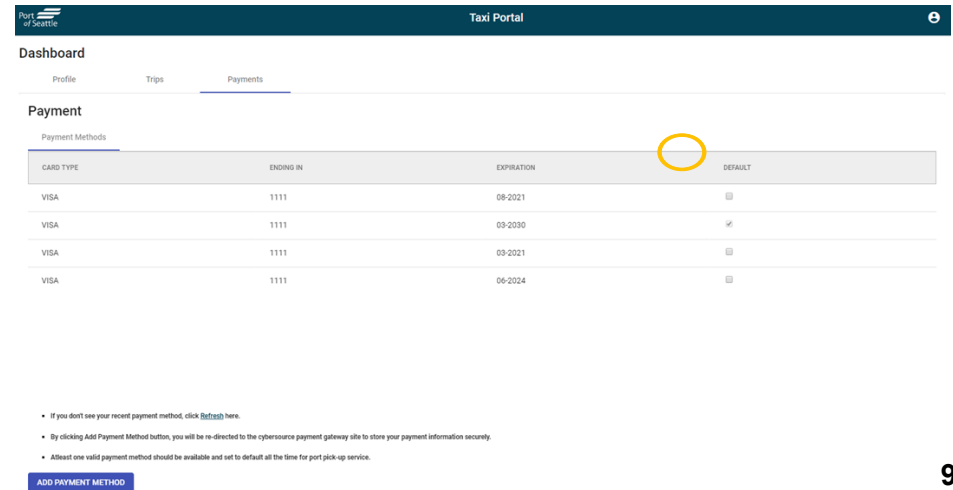

Note: Click 'Pay' is just setting up your new payment method. You will only be charged when your QR Code has been scanned and you're picking up customers.

- This is the final page you'll see before your new/credit/debit card has been registered in the system.
- Once confirmed information is entered correctly, press 'Print' to make a copy or 'Return to Website' to finish the last step.

- **IMPORTANT.**
- You have to select the credit card you just registered as **DEFAULT**.
- If you do not select a registered credit card as default, your payments will not go through and will not be authorized to pick-up until payment is correctly set-up in the system.

CITATION APPEAL PROCESS

- A. Drivers have the right to appeal any citations identified by the Port and any fines or suspensions assessed by the Port. Without regard to the particular penalty imposed or specific citations identified, there will only be one appeal for each notice of citation issued by the Port.
- B. In the event the Driver wishes to appeal a citation, he/she must submit a written notice of appeal within ten (10) business days of the date the Port issues the citation notice. The written notice of appeal must identify the party filing the appeal, must briefly identify the basis for the appeal, and must identify the relief requested in the appeal.
- C. The timely filing of an appeal will toll the deadline for payment of any fine and will, except for suspensions issues for serious citations, temporarily reinstate Driver's ability to operate pending decision on the appeal.
- D. Following receipt of a timely notice of appeal, a hearing will be held before a panel consisting of at least three persons from Airport Operations or other designees of the Manager, Airport Operations. The Driver will be allowed to present evidence or testimony to counter the facts upon which the citation, fine or suspension is based. The citation notice and associated records shall, however, constitute prima facie evidence of the citation.
- E. Following the hearing, the panel will issue a written finding. If the panel upholds the fine or suspension, the appealing party shall pay the fine within five (5) business days following mailing of the panel's decision. This provision is not intended to limit or bar any other remedies available to the Port under this Agreement.
- F. All Appeal request must be in writing and submitted within ten (10) business days based off the date on citation notification letter.

EMERGENCIES AT THE AIRPORT

For airport emergencies that require the attention of the airport Police or Fire Department, dial **911** from any phone. Your cooperation in reporting emergencies will help reduce confusion regarding the exact location and nature of the emergency. The precise directions you offer will reduce the response time for the first responders and provide adequate staff to the scene.

The nature of the emergencies you may see will vary. There may be an incident that requires the attention of medical personnel or police personnel. In the event you are a witness to behavior that you believe to be suspicious in nature (theft, security, bodily harm to others, etc.), report the incident to the Port of Seattle Police immediately.
